- 3) **Spelling Garden.** Draw flowers with 5 petals and write the word you are learning to spell in each petal.
- 4) **Silly Sentences.** Write the word you are practising to spell in a silly sentence. Even if it is funny it still has to make sense. Don't forget to use a capital letter and a full stop.
- 5) **Super Sentence Challenge.** Write one sentence that makes sense with all 5 words in it! This is like one of Mrs Trelfer's mad sentences

Reading Activities

Read anything you have at home. Read an online book. A recommended weekly pattern would be:

Monday-read a piece of text which accompanies the picture of the week. Underline any words you can't read or understand. Ask someone else in your house what they say or mean. Try and use a dictionary to find out the meaning. Try and write the words you were unsure of into sentences.

Tuesday-re-read the text 3 times making sure you observe the punctuation and practise expression.

Wednesday-read the text to an adult and get them to tell you how you got on.

Thursday and Friday-Read one of your books.

Class Reading for our weekly picture
