### Home Learning

I'd really like to know how you are managing the home learning and would really appreciate any feedback that I can feed into future planning. This is a very difficult time for us all so any update about the children would be very valuable. Please email me with your comments [andrew.matheson-venning@stmarysprimary.net](mailto:andrew.matheson-venning@stmarysprimary.net) in the meantime you'll find this week's home learning plan below.

Class 1 w/b 27/04/2020	Monday	Tuesday	Wednesday	Thursday	Friday
Daily Exercise	<p>I've been looking at different PE and daily exercise offerings but each week I find Joe Wicks is easily the best so this week I'm sticking with that and each week going forward I will also recommend one other PE or daily exercise resource.            Joe Wicks daily PE lesson's Monday to Friday from 9am his YouTube channel here -  <a href="https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ">https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ</a>            This week's alternative daily exercise resource is from NHS change 4 life featuring a wide selection of indoor activities -  <a href="https://www.nhs.uk/change4life/activities/indoor-activities">https://www.nhs.uk/change4life/activities/indoor-activities</a></p>				
Mathematics	<p>Carry out daily questioning about the date and weather, this could be any time in the day not just when you are doing the main Maths task:            Sing months of the year song - <a href="https://youtu.be/UzZvgojPO2M">https://youtu.be/UzZvgojPO2M</a>            Sing days of the week song - <a href="https://youtu.be/HtQcnZ2JWsY">https://youtu.be/HtQcnZ2JWsY</a>            Daily questions: What day is it today? What day was it yesterday? What day is it tomorrow? What is the date?            What is the weather like today?</p>				
	<p>For Maths this week I'd like you to try the new NCETM video tutorials as these are really interactive.            I'm aware that some websites are updating regularly so I've also included backup resources from White Rose in case any of the links are out of date.            If you are really enthusiastic you can always do both.</p>

Topic	<p><b>Science:</b> We will take a break from our work on plants this week to recap and consolidate some of our previous work on seasons as well as learn about why we have day and night. Check out the BBC Bitesize lesson through the link below and complete one or more of the practise activities.  <a href="https://www.bbc.co.uk/bitesize/articles/zvfbgwX">https://www.bbc.co.uk/bitesize/articles/zvfbgwX</a>          If you haven’t planted your own seeds yet it’s not too late, look at the plan from last week for some video guides.</p> <p><b>History:</b> BBC Bitesize have this great lesson about Rosa Parks, it’s an excellent opportunity to learn about a key part of history and her heroic acts. Watch the video and complete one or more of the practise activities.  <a href="https://www.bbc.co.uk/bitesize/articles/z6qnschw">https://www.bbc.co.uk/bitesize/articles/z6qnschw</a>          I would also like you to learn about the Royal family tree and the line of succession. Look at the Royal family tree here and the current succession to the throne <a href="https://www.bbc.co.uk/news/uk-23272491">https://www.bbc.co.uk/news/uk-23272491</a></p>				

	<p><b>Art:</b> To link with our history work I would like you to create a family tree. You could create the Royal Family tree or you could create your own family tree. Be creative, you can use drawing, sculpture or modelling. Here are some video examples to help you  <a href="https://youtu.be/ymlU3s6CFq0">https://youtu.be/ymlU3s6CFq0</a>  <a href="https://youtu.be/OULHe0UpoCc">https://youtu.be/OULHe0UpoCc</a></p> <p><b>Geography:</b> You should already know lots about the UK from your previous learning but this BBC Bitesize lesson gives you an excellent opportunity to recap your learning and find out new facts <a href="https://www.bbc.co.uk/bitesize/articles/zdq6t39">https://www.bbc.co.uk/bitesize/articles/zdq6t39</a></p> <p><b>Music:</b> Try the BBC Bitesize singing lesson featuring Gareth Malone <a href="https://www.bbc.co.uk/bitesize/articles/z4fgrj6">https://www.bbc.co.uk/bitesize/articles/z4fgrj6</a></p>
Writing	<p>There's lots of great new writing resources now available from BBC Bitesize complete at least two activities from the list of links below.  My favourite Story - <a href="https://www.bbc.co.uk/bitesize/articles/zr9jqp3">https://www.bbc.co.uk/bitesize/articles/zr9jqp3</a>  Using descriptive words - <a href="https://www.bbc.co.uk/bitesize/articles/zd372sg">https://www.bbc.co.uk/bitesize/articles/zd372sg</a>  Creating lists in sentences - <a href="https://www.bbc.co.uk/bitesize/articles/zh7bgwx">https://www.bbc.co.uk/bitesize/articles/zh7bgwx</a>  When to use question marks - <a href="https://www.bbc.co.uk/bitesize/articles/z7hc47h">https://www.bbc.co.uk/bitesize/articles/z7hc47h</a></p> <p>We will begin focusing some writing on the book The Tiny Seed by Eric Carle. Please use this video of the book being read <a href="https://youtu.be/3mtp0VHJuP4">https://youtu.be/3mtp0VHJuP4</a> for this week I would like you to complete two activities based on this story:  Activity 1: Create your own front cover for the story.  Activity 2: Watch the video up to 32 seconds, this is the first page of the story. The first page ends on a question about the seeds, where are they all going? I would like you to write four sentences to describe where the seeds might go, use your imagination. Here is my example: I think the seeds will go to the park because it is open to rain and sun and has lots of soil so the seeds will grow well.</p> <p>For more writing opportunities use Pobble365 - <a href="http://www.pobble365.com/">http://www.pobble365.com/</a> and follow the instructions under the picture to help encourage writing.</p>
