Please use this video of the book being read https://youtu.be/3mtp0VHJuP4 here is another writing activity for you to do based on the story: Watch the whole video to hear the full story, you may want to watch it more than once to help you remember the important parts. Write a recap of the story, you can use a combination of sentences and pictures to help you. You may also want to use a story map to help you, you can find some free templates online, like this one - https://www.tes.com/teaching-resource/story-map-template-6421194. Your recap can be simple or more detailed I would expect 5-10 key events or pieces of information to recap the story.</p> <p>For more writing opportunities use Pobble365 - http://www.pobble365.com/ and follow the instructions under the picture to help encourage writing.</p>
