	I like the Classroom Secrets resources, I find they offer a good mix of teaching, interaction and independent activities so please continue with their resources. Remember you may need to create a membership, which is free through this link - https://kids.classroomsecrets.co.uk/product/parent-access/ I'm aware that some websites are updating regularly so I've also included backup resources from White Rose in case any of the links are out of date. If you are really enthusiastic you can always do both.

Writing	<p>There are several writing opportunities linked to the movie night activity above.
