Message from the Headteacher

Dear Parent/Carers and Children,

Keeping in Touch!

As our time apart continues we are working to increase the ways in which we are keeping in touch with you. Mrs Punton can be contacted on email any working day or by telephone on Tuesdays. She has telephoned some of you and teachers are making contact using email. Please do email the staff with any queries, concerns or comments you have.

It would be lovely to post some pictures of the work the children are doing on the school website. Please do email me on headteacher@stmarysprimary.net with photographs that you (and your child) are happy to have shared.

Meanwhile the teachers will be using video conferencing to hold our weekly staff meeting. We are looking forward to the opportunity to 'be in the same place' together and hoping that our children, dogs, cats etc behave!

Please do all that you can to keep in touch with us; we are missing you all and looking forward to a time (yet to be announced) when we can safely be back together.

Helen Comfort – Executive Headteacher

Message from the Class Teacher

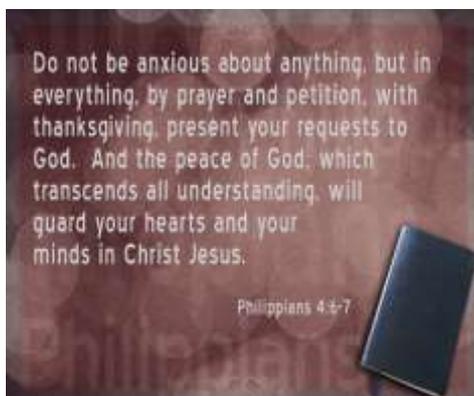

Hello Dolphins

This week I have loved receiving pictures of your work and talking to you on email about the things you are doing and finding difficult. It is a difficult time and it is good to share those feelings with an adult or someone you trust like me. I have been doing lots of work on my computer that on Thursday it seized up but luckily Mr Trefler fixed it for me. Don't forget you can always send me a picture or talk to me at alison.trefler@stmarysprimary.net

I hope that you got the chance to try some of the Castle Activities this week. Did any of you manage to climb the 77 steps?

I enjoy reading new stories and I liked the ones that we listened to this week and you had a go at reading. If we were in school I would share a great book with you called The Boy Who Drew Dragons. So just be careful when you are planting seeds and watering them that you haven't got a dragon tree instead of a tomato plant. We will read that book when we get back to school. Take Care. Continue to wash your hands carefully and remember if you are outside to put on sun cream and enjoy the sunshine safely.

Thought for the Week

Useful Weblinks

Why not visit the website of the National Geographic for children? You can sign up at no cost and you get to see some amazing things

<https://www.natgeokids.com/uk/>

If you are missing being creative, why not pop this site in Google to see some great ideas. It is an American site but I'll let you into a secret it is where I get lots of my ideas for school

The Week Ahead!

Week Commencing Monday 4th April 2020

I am looking forward to next week where we see how Muslims celebrate the end of Ramadan. On Friday we will also be celebrating the end of World War 2 which was 75 years ago. In your street you might see lots of Union Jack Bunting. Don't forget to let me know what your favourite learning has been this week. You can contact me during the week on my email which is alison.trefler@stmarysprimary.net

Friday 8th May – V.E. Day Bank Holiday
