

# Dover St Mary's Church of England Primary

Learning for life with God as our guide

Weekly Newsletter Friday, 15<sup>th</sup> May 2020

## Message from the Headteacher

Thank you to those of you who have sent pictures and news for the school Facebook page. Do keep these coming; it is good for us all to have this connection.

At the time of writing I am continuing to work with staff to risk assess the measures the Government is asking us to put in place after 1<sup>st</sup> June. Whilst the Government has sent out information since Tuesday, the Local Authority is still working on guidance; this is due to be with schools next week. You will appreciate there is a great deal of information to assimilate and changes to consider. Health and safety of pupils, staff and families is paramount. I will write to you all again next week when plans have been assessed by the School Governors and I have information to share with you.

In the meantime, we continue to provide home learning for all classes and childcare for the children of key workers.

Please continue to take care and look after yourselves.

**Ms Helen Comfort – Executive Headteacher**

## Message from the Class Teacher

Dear Puffins,

I hope you and your families are still keeping safe and well and that you are still managing to find things to do to keep yourselves busy!

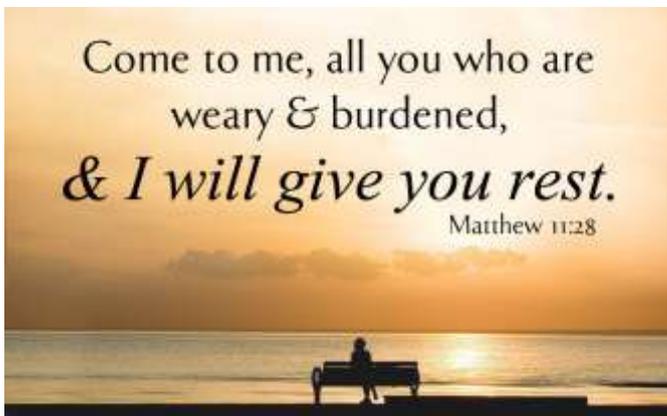

We seem to have lost the sun this week! I can't say I have enjoyed wearing jumpers and fluffy socks again! I am sure we are all looking forward to some better weather again next week, people definitely seem to smile more when the sun is shining!

I hope you enjoyed the learning activities I set for you this week. I have been enjoying practising my French skills with the videos and the art drawing tutorials were great fun too! What was your favourite activity?

Stay safe and keep smiling Puffins!

**Miss Sayer**

## Thought for the Week

## Useful Weblinks

Here is a link to a writing competition about life in lockdown for children aged 7 to 17, that you might like to have a go at. This is a super writing opportunity, with the possibility of being published! Whether you win or not, your work will be read by a published author – a rare opportunity. Enjoy!

## The Week Ahead!

**Week Commencing 18<sup>th</sup> May 2020**

Next week in Maths there are lots of activities to put your times table knowledge to the test! How well do you know your 3s, 4s and 8s? In Geography you will be learning about reading maps and directions. I found the video really interesting! Your Art activity next week is call Alphabet Art. I hope you enjoy finding lots of different objects to draw or photograph! If you would like to share any of your learning with me, please email. I would love to hear from you!
