Message from the Headteacher

Re-connecting!

Some of you will have seen that we have launched the St Mary's CEP facebook page this week with a photo message from all of the staff to all of you. Follow the link to see this and like the page so that you see what else we post.

<https://www.facebook.com/St-Marys-C-of-E-Primary-School-820857021275490/>

I would like to say thank you to the staff for engaging so willingly with our photo message to you all and in particular to Miss Sayer for inspiring us and creating the final edit! Mrs Milton combined the images to make a large photograph which is now on the school website and can be seen in the photo gallery and by following this link <http://www.st-marys-dover.kent.sch.uk/photo-gallery/>

With your permission it would be lovely to post some pictures of the children and/or their home learning work on the school Facebook page. If you have something you would like to share please email it me on headteacher@stmarysprimary.net.

I hope that you are able to mark the 75th anniversary of VE day on Friday 8th safely at home. The following link has some good ideas about how this is possible and information about what will be going on that we can join in with. <https://www.veday75.org/>

World War 2 Spitfires were out flying over the locality on Wednesday I wonder if any of you saw them?

Ms Helen Comfort – Executive Headteacher

Message from the Class Teacher

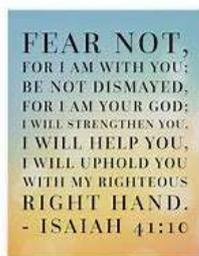

Dear Puffins,

I hope you have enjoyed the activities this week. I really enjoyed creating my own cake on the code a cake website. It took me a long time to work out in which order to put the ingredients into the bowl. My machine kept breaking! I also enjoyed our Maths lessons this week - working out all the different toys that I could buy from the toy shop. What activity did you enjoy the most?

I have been adding some more ideas to my lockdown bucket list jar. This week I have added 'go shopping for some new clothes' and 'go to Kaspas for a huge ice cream with my friends' - I can't wait to do that! What exciting things have you added to your lockdown bucket list? I would love to know! asayer@stmarysprimary.net

Stay safe and keep smiling! **Miss Sayer**

Thought for the Week

Useful Weblinks

This is a fantastic website for Maths and Literacy learning games. The children use this website in school so they should know their way around!

<https://www.topmarks.co.uk/>

This site has lots of online jigsaw puzzles for children. They are great fun!

<http://www.thekidzpage.com/onlinejigsawpuzzles/>

The Week Ahead!

Week Commencing 11th May 2020

Next week in Maths you will be refreshing your memory of 2D and 3D shape. You will be finding out about the different types of triangle and polygons. Lots of you have been telling me how much you love art, so I have found a new drawing tutorial website for you to try. Let me know what you think! During thinking time this week, you will be learning about Islam and taking a quiz on Friday to test your knowledge from the week. For Literacy you will be practising your grammar and taking part in some reading lessons from BBC Bitesize. I hope you enjoy these activities!
