Thinking Time	What do you love doing that makes you feel happiest? Can you draw a picture of you doing this thing?	What are you thankful for? It is important at times like these to think about what we are thankful for. You have 5 fingers on your hand. Can you think of 5 things you are thankful for? You might like to draw around your hand and write each thing along your fingers and then decorate.	If you could make one rule that everyone in the world had to follow, what rule would you make? Why? How would this rule make the world a better place?	What do you think your life will be like in the future? What things are you aiming for?
