Learning for life with God as our guide

Weekly Newsletter Friday, 15<sup>th</sup> May 2020

## Message from the Headteacher

Thank you to those of you who have sent pictures and news for the school Facebook page. Do keep these coming; it is good for us all to have this connection.

At the time of writing I am continuing to work with staff to risk assess the measures the Government is asking us to put in place after 1<sup>st</sup> June. Whilst the Government has sent out information since Tuesday, the Local Authority is still working on guidance; this is due to be with schools next week. You will appreciate there is a great deal of information to assimilate and changes to consider. Health and safety of pupils, staff and families is paramount. I will write to you all again next week when plans have been assessed by the School Governors and I have information to share with you.

In the meantime, we continue to provide home learning for all classes and childcare for the children of key workers.

Please continue to take care and look after yourselves.

**Ms Helen Comfort – Executive Headteacher**

## Message from the Class Teacher

Hello Class 5,

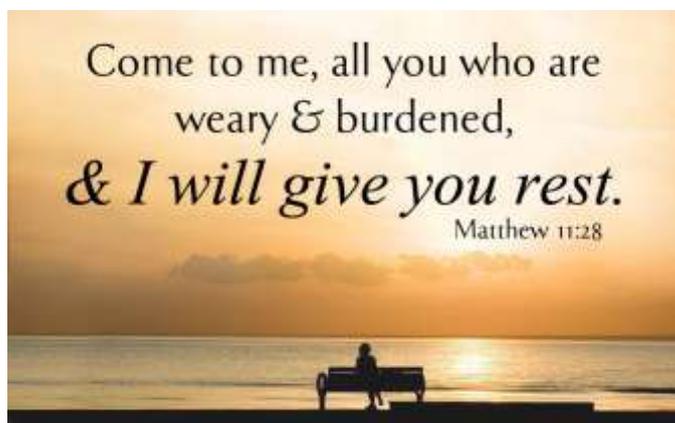

I hope you have enjoyed this week's home learning! What was your favourite activity? I really enjoyed writing about the flying turtles and thinking about which other animal I would choose to describe floating by. I thought it would be great to see a snail or a goldfish fly past! I also loved learning Spanish. Maybe we could learn how to say 'good morning' and 'school dinner/packed lunch please' for when we do the morning register back at school.

Have you managed to get outside in the fresh air? I have enjoyed walks along the beach where I live, spending time reading in my garden and watching all the pretty flowers come into bloom.

I love hearing about how you are getting on. Please continue to send me updates and pictures of your smiley faces!

Stay safe and keep smiling! **Miss Loges**

## Thought for the Week

## Useful Weblinks

Have a look at this writing competition about life in lockdown. All the information is on the website link, see if it is something you would like to take part in!

Make sure you ask your parent/guardian before you enter.

## The Week Ahead!

**Week Commencing 18<sup>th</sup> May 2020**

Next week, you are going to be using the BBC daily lessons for Maths and English. You will be writing a letter to a healthcare hero and revising your knowledge of fractions! I have included some fun DT and Science activities for you to try too! One activity involves gummy bears - yummy! I am missing you all! Enjoy your weekend. Stay safe and keep smiling!
