Learning for life with God as our guide

Weekly Newsletter Friday, 1st May 2020

Message from the Headteacher

Dear Parent/Carers and Children,

Keeping in Touch!

As our time apart continues we are working to increase the ways in which we are keeping in touch with you. Mrs Punton can be contacted on email any working day or by telephone on Tuesdays. She has telephoned some of you and teachers are making contact using email. Please do email the staff with any queries, concerns or comments you have.

It would be lovely to post some pictures of the work the children are doing on the school website. Please do email me on headteacher@stmarysprimary.net with photographs that you (and your child) are happy to have shared.

Meanwhile the teachers will be using video conferencing to hold our weekly staff meeting. We are looking forward to the opportunity to 'be in the same place' together and hoping that our children, dogs, cats etc behave!

Please do all that you can to keep in touch with us; we are missing you all and looking forward to a time (yet to be announced) when we can safely be back together.

Helen Comfort – Executive Headteacher

Message from the Class Teacher

Hello Class 5,

I hope you have all been able to keep busy this week, even if the weather has been a little rainy! I have enjoyed watching all the birds fly around my garden. I think they are making a nest somewhere in one of the trees.

What was your favourite activity from the learning this week? I always like completing the art activities.

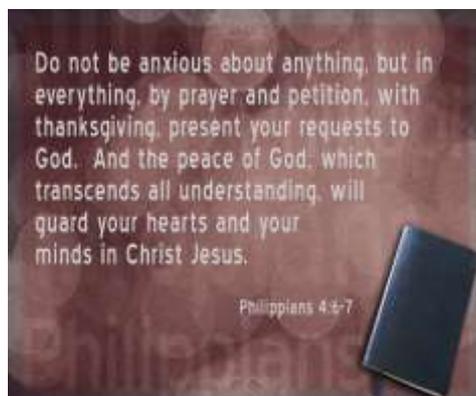

Here is my picture of what one black dot can be. I turned the black dot into the eye of a monster! I would love to see your pictures!

Thank you to those of you that have let me know how you have been getting on. I have loved seeing pictures of your smiley faces completing different activities!

Please continue to stay in touch, I love hearing from you all! My email address is kloges@stmarysprimary.net

Stay safe and keep smiling, Miss Loges 😊

Thought for the Week

Useful Weblinks

Have a go at drawing something cool by following one of these videos!

The Week Ahead!

Week Commencing Monday 4th April 2020

Next week, you will master adjectives in literacy, paint pebbles in art and practise your typing skills! For the maths learning, I have had to change the regular website we have been using so you will try out the BBC maths lessons!

Enjoy your weekend. I miss you all my wonderful class!

Stay home, stay safe and stay smiling!

Friday 8th May – V.E. Day Bank Holiday
