## Message from the Headteacher

Dear Parent/Carers and Children,

### Keeping in Touch!

As our time apart continues we are working to increase the ways in which we are keeping in touch with you. Mrs Punton can be contacted on email any working day or by telephone on Tuesdays. She has telephoned some of you and teachers are making contact using email. Please do email the staff with any queries, concerns or comments you have.

It would be lovely to post some pictures of the work the children are doing on the school website. Please do email me on [headteacher@stmarysprimary.net](mailto:headteacher@stmarysprimary.net) with photographs that you (and your child) are happy to have shared.

Meanwhile the teachers will be using video conferencing to hold our weekly staff meeting. We are looking forward to the opportunity to 'be in the same place' together and hoping that our children, dogs, cats etc behave!

Please do all that you can to keep in touch with us; we are missing you all and looking forward to a time (yet to be announced) when we can safely be back together.

Helen Comfort – Executive Headteacher

## Message from the Class Teacher

Hi Parents/Carers and Year 6,

Thank you for all your lovely emails, I have been so impressed by the lovely work you have sent me, and the pictures of you out and about getting your exercise, cooking, camping in the garden and so much more – it has been good to hear from you – we miss you so much.

I hope you enjoyed the Spanish lesson; I have been practising my numbers in Spanish - mes numeros. How is your Spanish coming along?

I also tried the texture artwork as you can see. I really enjoyed doing this – can you guess which one is a tv remote? How did yours turn out? I would love to see some.

How is your bucket list coming along? We seem to find something to put in ours every day.

Yesterdays was to visit everyone who has had a birthday during this time.

Mrs Berbiers – [debra.berbiers@stmarysprimary.net](mailto:debra.berbiers@stmarysprimary.net)

## Thought for the Week

## Useful Weblinks

[https://www.switchzoo.com/make\\_play.htm](https://www.switchzoo.com/make_play.htm)

Take a look at this site it ties in nicely with some of our evolution work, and is a lot of fun, scroll down and have a go at the different games.

<https://www.abcya.com/grades/6/letters>

Keep yourself busy with some of these games.

## The Week Ahead!

Week Commencing Monday 4<sup>th</sup> April 2020

Next week we continue our Spanish lessons, we will be learning to introduce ourselves, let's see how we get on. You have a texture art lesson again; this time you will be focussing on visual textures – can you imagine what this might be?

In science you will be examining and working with fossils, and in history I have asked you to write a letter as a survivor from the Titanic, using information from a real survivor to help you.

Please keep sending me some of your work and let me know how you are getting on, take care – be kind, be safe.

Friday 8<sup>th</sup> May – V.E. Day Bank Holiday
