Message from the Headteacher

Re-connecting!

Some of you will have seen that we have launched the St Mary's CEP facebook page this week with a photo message from all of the staff to all of you. Follow the link to see this and like the page so that you see what else we post.

I would like to say thank you to the staff for engaging so willingly with our photo message to you all and in particular to Miss Sayer for inspiring us and creating the final edit! Mrs Milton combined the images to make a large photograph which is now on the school website and can be seen in the photo gallery and by following this link <http://www.st-marys-dover.kent.sch.uk/photo-gallery/>

With your permission it would be lovely to post some pictures of the children and/or their home learning work on the school Facebook page. If you have something you would like to share please email it me on headteacher@stmarysprimary.net.

I hope that you are able to mark the 75th anniversary of VE day on Friday 8th safely at home. The following link has some good ideas about how this is possible and information about what will be going on that we can join in with. <https://www.veday75.org/>

World War 2 Spitfires were out flying over the locality on Wednesday I wonder if any of you saw them?

Message from the Class Teacher

Hello, Year 6,

Here we are, still at home – 7 weeks into lockdown. How are you all doing? I hope the work I am setting is keeping you busy when you have nothing better to do. Did you look at the video, that we made for you, on the St Mary's Facebook page?

The sun is back out after the rain last week, it did not stop me going out for a walk, but it was great to see the sun again. Yesterday, despite the chilly wind we went out for a long walk, it was such a lovely afternoon. We saw so many butterflies, the cowslips are covering the banks in pretty, yellow flowers and the bluebells are still carpeting the woods. What are you seeing on your walks? The pictures and videos you send me of all your activities always make me smile, please keep sending them.

The Week Ahead!

Week Commencing 11th May 2020

Next week in our English lessons I am asking you to work with the teachers from London to write a descriptive setting, to begin to work on the classification of animals in science and to begin sketching, to create an optical illusion, I hope you enjoy these. I will be working with you to say our birthdays in Spanish and will definitely be trying the art. Please keep sending me some of your work and let me know how you are getting on, take care – be kind, be safe.
