Reading	<p>Read every day to enhance your reading skills. Remember reading does not just have to be books, it can be online, newspapers, comics etc. 10 minutes minimum. Keep a record in the back of your Home-Learning Book of everything you read.</p> <p>You can use this website too, https://readon.myon.co.uk/ It has many good texts and will also read to you. Choose your book from the categories or type a year group into search. Maybe you could read to a younger brother or sister? Or the cat or dog? Or a flower or just to yourself</p>

Do you think forgiveness is more important than punishment?

Below are the different interpretations (Meanings) that Christians have thought could also be the message from the story of The Unforgiving Servant.

Read each one, copy it into your home learning book and write a sentence or two about whether you think it could be a message from the story. Try to explain your thoughts using evidence from the story.

- that God is loving and forgives all wrongs, if people turn from evil and trust him?
- that because people have been forgiven so generously by God, they should be generous in forgiving others?
- that Christian parents should forgive their children if they are mean, cheating, lying or unkind?
- that Christians should never fight back if they are attacked, but forgive instead?
- that a criminal who says sorry can become a church minister?
- that everyone will end up in heaven, because God will forgive all wrongs? • that there is a price to pay for being unforgiving?

Do you think that the servant should have been forgiven in the first place? Do you think he should have been punished when he did not forgive the next man?

Are there times when you think forgiveness is more important than punishment?
