Writing	<p>Complete some of the Classroom Secrets Writing activities through the links below:</p> <p>Also check the BBC Bitesize website for some great resources, there will be a different lesson for each day: https://www.bbc.co.uk/bitesize/tags/zjpqqp3/year-1-lessons/1</p> <p>We have a new focus book for this term, we are going to use the book You Choose by Nick Sharratt and Pippa Goodhart. This is not a story book it is an open ended picture book which can be used to develop language and writing. This week I want you to focus on the first page, the book asks: If you could go anywhere, where would you go? Use this page and question to create some writing, here is a link to the book https://youtu.be/T14qMVCyEiY. You can come up with any writing your imagination desires but here are some suggestions:</p> <ul style="list-style-type: none"> ● Describe the most amazing place you could ever imagine visiting. ● Write the story of the two characters in the hot air balloon, where do they go? What do they see? What happens? <ul style="list-style-type: none"> ● Use a real place to answer the question and research your chosen place to write some facts about it. ● Draw a picture of the place you would like to go and write the reason why you chose this place. <p>For more writing opportunities use Pobble365 - http://www.pobble365.com/ and follow the instructions under the picture to help encourage writing.</p>
