## Message from the Headteacher

### Staffing Arrangements for Next Academic Year

We have some staff changes which will come into effect from September 2020 which I would like to share with you.

Mrs Debra Berbiers will be leaving St Mary's at the end of this term having secured a teaching post closer to home. I thank her for all that she has contributed to St Mary's over the past 12 years and wish her well in her new venture.

Mrs Alison Trelfer will continue in the role of Acting Head of School as the new school year begins, and Mrs Hilary Shaw will continue to work one day a week as our Special Educational Needs Co-ordinator (SENCo). Mrs Emma Fagg (was known as Denne) has returned from maternity leave this term.

In light of the fact that this academic year has been disrupted by the COVID-19 situation, I have planned, where we are able to do so, for children to have the same class teacher next year as they have had for this year. I feel this approach will contribute to supporting the children back into the routine of a typical school year, and also enable any gaps in learning to be quickly addressed.

To that end class teacher allocations for next year are as follows: -

Reception Class	Miss Sam Riley
Class 1	Mrs Emma Fagg for 3 days and a newly appointed teacher for 2 days – details to follow
Class 2	Mr Andrew Venning
Class 3	A newly appointed teacher – details to follow
Class 4	Miss Amber Sayer
Class 5	Mrs Sandy Muller
Class 6	Miss Kirsty Loges

### Reporting to Parents

We are finalising end of year reports which will be posted home to you during the week beginning 6<sup>th</sup> July.

**Ms Helen Comfort – Executive Headteacher**

## Message from the Class Teacher

Dear Puffins,

I hope you all safe and well and enjoying the lovely weather!

What did you enjoy about the home learning this week? I enjoyed practising my colours in French and putting my touch typing skills to the test for our computing lesson. Next week there are lots more fun tasks for you to have a go at! Remember to keep sending me any work that you are proud of.

I would love to see what you have been up to! [asayer@stmarysprimary.net](mailto:asayer@stmarysprimary.net)

Stay safe and keep smiling! ☺ Miss Sayer

### Useful Weblinks

Take a look at the STEM at home website. There are so many amazing activities to try out at home!

### Thought for the Week

'Be always humble, gentle and patient. Show your love by being tolerant with one another'  
Ephesians 4:2 GNB

### The Week Ahead!

Week commencing 29<sup>th</sup> June 2020

Next week you will be following some online lessons about Fractions in Maths - a bit of a change from what we are all used to! In Science you will be completing your last lesson about plants. I hope you have enjoyed these, I have loved learning all about plants! Enjoy your week.
