Learning for life with God as our guide

Weekly Newsletter Friday, 5th June 2020

Message from the Headteacher

As this week draws to a close we are finalising preparations for the phased return to school next week of some of the children.

I have communicated separately with the parents of those in Classes R, 1 and 6 who will be sending their children back and also with those who do not feel ready to do so at the moment.

Childcare for children in other year groups who have parents who are key workers continues.

Please be aware that all teachers and teaching assistants who are able to be at work will now be at school every day caring for and/or teaching the children who are here. Contact by teachers with families of children not at school will continue, however, responses will not be as swift as previously and may be later in the day once the children have gone home; please bear with us about this matter which will be kept under review.

Home-learning continues for all children in all classes who remain at home; this can be accessed on the school website as previously.

We look forward to continuing to work with you all in whatever context that may be!

Ms Helen Comfort – Executive Headteacher

Message from the Class Teacher

Dear Puffins,

I hope you all enjoyed your half term. The weather has been beautiful so I am sure you have spent lots of time out in the sunshine! I have enjoyed relaxing in my garden and eating lots of ice cream!

Recently there have been lots of changes surrounding what is happening at school. As you may already know, some year groups are beginning to return to school, this may even include some of your siblings or friends. Even though our class is not coming back to school yet, please know that I am still thinking of you and missing you all lots and I will continue to set you lots of different activities to do at home. I know this is still a difficult time for us all, but I am proud of each and every one of you.

Stay safe and keep smiling!

Best wishes, Miss Sayer

Thought for the Week

Jesus said 'My Father will send the helper, the Holy Spirit to you. The Holy Spirit will teach you and remind you of the things I have said. Now I give you my peace, don't be worried or afraid'
(John 14:26-27)

Useful Weblinks

This link will take you to the San Diego Zoo website where there are live cams which enable you to see the animals. The work this zoo does for the animals is fantastic! I loved watching the penguins!

The Week Ahead! Week commencing 8th June 2020

Next week for Maths you will be practising your Times Tables. It is so important to keep this knowledge fresh in your mind. I hope you enjoy the Times Table games on Friday! For Science we are continuing to learn about plants, we are going to find out why bees are attracted to flowers. Your Art task next week will be about what summer means to you. How creative can you be? I would love to see some of the masterpieces you create! asayer@stmarysprimary.net
