

## St Mary's Church of England Primary School

### Home Learning

This week we are thinking about different modes of transport we can use to travel. Please continue to share your home learning with me

	AND/OR Your child may like to watch an episode of Alphablocks instead to revise their phonics skills or revisit an activity they enjoyed from a previous week.					
	<p style="text-align: center;">Listen to the story of the            'Naughty Bus'  <a href="http://www.lovelybooks.co.uk/naughty-bus">http://www.lovelybooks.co.uk/naughty-bus</a></p> 	<p style="text-align: center;">Play a memory game.            'I went on a bus and I saw a...'            Take turns with a grown up to add something to the list.            Can you remember what has been said each time?</p>	<p style="text-align: center;">Now that the naughty bus is out of the pond, where will it go next?             Continue the story and create 2-3 new pages for the book. What new adventures will the Naughty Bus go on?</p>	<p style="text-align: center;">Buses are just one mode of transport.             Listen to the song to find out about other types of transport.  <a href="https://www.bbc.co.uk/cbeebies/watch/show-me-show-me-transport">https://www.bbc.co.uk/cbeebies/watch/show-me-show-me-transport</a>             What did you see?</p>	<p style="text-align: center;">To get on a train you need a ticket, attached is a ticket template.            (You do not have to use this template)             Can you draw a picture of somewhere you would like to go? It might be the beach, the park or it could even be London.</p>	

	<p>What colour was the Naughty bus? Were the buildings short or tall? What happens when the Naughty bus is full up? What food was the bus driving through? What happens when the Naughty bus gets too close to the pond? How did the Naughty bus feel? What saved the Naughty bus from the pond?</p>			<p>Which is your favourite mode of transport in the video? Can you name any more types of transport that were not in the video?</p> 	 <p>You could then label your drawing or write a simple sentence.</p>

<p>Topic</p>	<p>Where do we live? Can you find Dover on a map? Think about a journey you make often. Can you draw a simple map showing some of the things you see?</p> 	<p>A kite travels when it is windy. Can you make your own kite? Can you fly it outside in the garden or on a walk?</p> 	<p>What is your favourite mode of transport? Is it a car? A bus? A train? Your challenge is to try and create your favourite mode of transport using junk modelling.</p>  	<p>How do you normally travel to school? Do you go to school by car, bus, bike or on foot?  Can you use your imagination to come up with a new way to get to school? Will it have wheels? Will it be able to fly? What colour will it be?  You could draw, paint or build a model of your idea!</p> 	<p>Can you set up a 'Car Wash' to help make your bike or scooter squeaky clean? If your grown up has a car maybe you could help them to wash it.  Don't forget to make a sign for your car wash!</p>
