Message from the Headteacher

The final full week of this academic year draws to a close today. Thank you to you all, whether at school or at home, for your continued support. We are all so looking forward now to September and to having a full school of children again.

September 2020

Arrangements regarding the start of the new academic year have now been finalised; look out for letters coming out today.

PE Kits

We have just a few PE kits left behind in school – please telephone school office to arrange collection.

End of Term

A reminder that this school year finishes on Tuesday 21st July

Breakfast Club

This will resume week beginning 7th September.

Helen Comfort

Executive Headteacher

Thought for the Week

Message from the Class Teacher

Hello Sharks class,

Well, another academic year is drawing to a close, this has certainly been the most unique one I have experienced and sadly not for entirely positive reasons. I regret not being able to fully take you through your Year One journey and get to know you all better, however I am really looking forward to the opportunity to teach you again next year and help make Year Two a massive success.

This week has been very busy in school as we begin to get the classrooms ready for next year. I have been in what will be our Year Two classroom, Dolphins Class, moving furniture, organising and putting up displays. We've been concluding our topics for this term and I hope you have enjoyed the learning I have set. I wish you a fun and relaxing summer and look forward to seeing you back and full of energy and enthusiasm in September.

Warm regards, Mr Venning.

The Week Ahead!

Week commencing 20th July 2020

With only two days left of the year next week I know the temptation will be to begin your summer break early, however it is important to continue to participate in learning experiences including those that I have set and any other opportunities which arise. You are in charge of your learning next week as the tasks are relatively open, so be an independent learner and take the lessons in the direction that most interests you and have fun.

Useful Weblinks

There are so many great weblinks to keep you busy over summer, just search for 'home learning' and you'll find lots to do. Here are my favourite's:
