

DOLPHINS Class

W/c 20th July - Home Learning

Wow - you have nearly completed your year in Dolphins Class. What a year it has been; you have worked extremely hard and should be proud of what you have achieved- in school and at home. We have been so impressed with how hard you have worked, so, for the last 2 days, we have created a list of fun activities for you to choose from. Please feel free to continue to use home learning favourites from previous weekly planning.

Write a letter to your new teacher telling them about yourself- family/friends, interests, what you are looking forward to etc. – I can email these to your new teacher.

Fantasy story writing –

Watch the clip – imagine that you go to the beach and find an object. Where does it take you? What do you see? What happens? Is there an adventure?

Create a poster – explaining ‘Sun Safety’ – what do you need to do to remain safe whilst playing in the sun during the holidays.

Write an information page about ‘Puffins’ – what interesting facts can you find about them?

Write a poem (acrostic) explaining life in Dolphins Class for the new class going in there in September.

Use the template or make one of your own to reflect on the past year and your time in KS1.

Write a ‘bucket list’ of everything you would like to do during the holidays. Is there anywhere that you would like to go? Or anything you would like to do or see?
