Learning for life with God as our guide

Weekly Newsletter Friday, 10th July 2020

Message from the Headteacher

Virtual Sports Day

Our whole school sports day proved to be extremely successful. Very many thanks to everyone who joined in, whether at home or school. We enjoyed the pictures and videos which were sent in – do have a look on the school Facebook page if you have not already. The children in school had a great time with some challenging activities and many points were scored for determination and success. I am pleased to announce that Red Temple came first with 168 points, Yellow Fisher second with 156 points, Green Ramsey, 3rd with 120 points and Blue Lang 4th with 108 points. Well Done to everyone.

Home Learning

Thank you to those of you who are completing the home learning with your children. Next week will be the last full week of this school year and home learning will be available on the school website from Monday as usual.

September 2020

Plans continue to be finalised for September full opening of school. I will write to you when these have been completed and approved. In the meantime, those of you sending children to school need to continue to work within the risk assessment and procedures already laid down. These measures have enabled all of the school community to keep safe and Covid-free to date; I ask that you support us with these important matters and thank you for doing so.

Development Day Wednesday 22nd July

As previously advertised, please note that **Wednesday 22nd July will be a staff development day**; Tuesday 21st July will be the last school day for children whether at home or at school.

Helen Comfort

Thought for the Week

'There is a time for everything, and a season for every activity under the heavens.
A time to weep and a time to laugh.
A time to embrace and a time to refrain from embracing.
A time to keep and a time to throw away.
A time to speak and a time to be silent'.
Ecclesiastes 3:1-8

Message from the Class Teacher

Dear Puffins,

I wonder what you have been up to this week. I hope you have enjoyed the activities I have set you and that you have been managing to have a go at some of them. Have you been outside for walks or to play? Remember it is so important to exercise every day if you can!

It has been a very busy week at St. Mary's. I have been in our new class room for next year putting up lots of colourful displays and setting up the room ready for us all in September. I am so looking forward to seeing all the smiley faces in our class again!

Stay safe and keep smiling ☺

Miss Sayer

Useful Weblinks

The BBC website has lots of fun educational games, quizzes and podcasts. As well as Newsround which is fantastic for keeping up to speed with what is going on in the world!

The Week Ahead!

Week commencing
13th July 2020

Next week you will be continuing your learning about fractions in Maths, I hope you have been enjoying the video lessons. You will be exploring the Alps in Geography and learning about pulse and rhythm in Music.

Have fun!
