Here are some fun activities for you to choose from!			<h2>Summer Holidays</h2> 		
Think about your time in Year 3. It has been a very difficult and strange year. However, it is always good to think about positive things. What went well for you this year? What are you looking forward to going into Year 4?					
Watch this video to get some top tips from the minions for keeping safe in the sun over the summer holidays! https://www.youtube.com/watch?v=vxAsoBXmCJk Create a poster – explaining 'Sun Safety' – what do you need to do to remain safe whilst playing in the sun during the holidays.					
Next year you are going to be in the Penguins class. Write an information page about 'Penguins' – what interesting facts can you find about them?					
Write a 'bucket list' of everything you would like to do during the holidays. Is there anywhere that you would like to go? Or anything you would like to do or see?					
Your A to Z of the year! Write down something you have learnt or a memory you have of Year 3 for each letter of the alphabet. (There is a template attached if you would like to use it).					
Design your own pair of summer flip flops. What patterns and colours will you use? (There is a template attached, or you might choose to draw your own flip flops)					
Summer Holiday Snapshots – Record what you get up to over the summer holidays!					

Please feel free to email me to let me know how you are getting on with the activities I have set you. I would love to hear from you!
