Message from the Headteacher

Virtual Sports Day

Our whole school sports day proved to be extremely successful. Very many thanks to everyone who joined in, whether at home or school. We enjoyed the pictures and videos which were sent in – do have a look on the school Facebook page if you have not already. The children in school had a great time with some challenging activities and many points were scored for determination and success. I am pleased to announce that Red Temple came first with 168 points, Yellow Fisher second with 156 points, Green Ramsey, 3rd with 120 points and Blue Lang 4th with 108 points. Well Done to everyone.

Home Learning

Thank you to those of you who are completing the home learning with your children. Next week will be the last full week of this school year and home learning will be available on the school website from Monday as usual.

September 2020

Plans continue to be finalised for September full opening of school. I will write to you when these have been completed and approved. In the meantime, those of you sending children to school need to continue to work within the risk assessment and procedures already laid down. These measures have enabled all of the school community to keep safe and Covid-free to date; I ask that you support us with these important matters and thank you for doing so.

Development Day Wednesday 22nd July

As previously advertised, please note that **Wednesday 22nd July will be a staff development day**; Tuesday 21st July will be the last school day for children whether at home or at school.

Helen Comfort

Executive Headteacher

Thought for the Week

‘There is a time for everything, and a season for every activity under the heavens.
A time to weep and a time to laugh.
A time to embrace and a time to refrain from embracing.
A time to keep and a time to throw away.
A time to speak and a time to be silent’.
Ecclesiastes 3:1-8

Useful Weblinks

There are so many fun activities on the STEM website! There are almost too many to choose from!

Message from the Class Teacher

Hello Class 5,

I hope you have had a wonderful week! Did you manage to complete the virtual sports day activities? The children at school had so much fun competing! I visited the playground to see all the bubbles catching, kicking, throwing and skipping. I wanted to join in!

Did you enjoy the home learning this week? My favourite activity was drawing the seahorse! I coloured mine in blue and purple. What colour did you choose to colour your seahorse in? I would love to see a picture!

Keep sharing your wonderful work and fun activities with me - I love hearing from you! If you have any questions about the home learning, I will be happy to help!

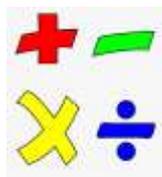

Stay safe and keep smiling!

Miss Loges kloges@stmarysprimary.net

The Week Ahead!

Week commencing 13th July 2020

Next week, you will be continuing to follow the BBC Daily Lessons for Maths and Literacy, learn how to describe a town in Spanish and take part in a circle challenge for art! Enjoy your weekend. Stay safe and keep smiling!
