### Virtual Sports Day

Have you read Mrs Fagg's letter about our virtual St Mary's Sports Day which we will be holding next week?

We are looking forward to everyone from our school community – whether they are at home or at school – taking part in the challenges which Mrs Fagg has planned. Perhaps you have been practising throwing, balancing and running etc skills in preparation?!

Follow the link to the school website for details

Remember to take pictures of the activities being completed, count up your child's score and email a photo and score to the class teacher.

### Facebook

Mrs Trefler has uploaded some pictures to the school Facebook page this week – do please have a look

### End of Year Reports

These will be sent out next week and will be arriving by post.

### Staff Training Day - Wednesday 22<sup>nd</sup> July 2020

Please note that schooling – whether at home or school – will finish on **Tuesday 21<sup>st</sup> July**. The training day we had scheduled for May did not happen so we will be having this at the end of this academic year so that we can start our preparations for September.

## Message from the Class Teacher

Hello Class 5,

As some of you may have read last week on the newsletter, I am going to be your Year Six teacher! We are going to be Seahorses Class! I am so excited to have another year with my amazing and wonderful class. I cannot wait for all the exciting things we can get up to in Year Six. I'm sure we are going to have lots of fun.

I hope you are still managing to try some of the home learning activities I have set for you. Do what you can and try your best. I'm sure you are all doing a great job!

Keep sharing your wonderful work and fun activities with me – I love hearing from you! If you have any questions about the home learning, I will be happy to help!

Stay safe and keep smiling!
