Virtual Sports Day

Have you read Mrs Fagg's letter about our virtual St Mary's Sports Day which we will be holding next week?

We are looking forward to everyone from our school community – whether they are at home or at school – taking part in the challenges which Mrs Fagg has planned. Perhaps you have been practising throwing, balancing and running etc skills in preparation?!

Follow the link to the school website for details

Staff Training Day - Wednesday 22nd July 2020

Please note that schooling – whether at home or school – will finish on **Tuesday 21st July**. The training day we had scheduled for May did not happen so we will be having this at the end of this academic year so that we can start our preparations for September.

Message from the Class Teacher

Hello again Turtles,

It's been great to have more children join us at school this week, our classroom is much livelier now with the additional voices and the children seem to be enjoying spending time with friends again. In school, we have really enjoyed our focus story this week 'Pirates Love Underpants' and the children have created some fantastic treasure maps! We've also been writing some secret messages to go in our bottles too. However, we did talk about not actually putting our bottles in the sea because we didn't want to harm any sea creatures.

If you are not at school, please remember to have a go at the home learning. I can see how much the children are learning in the classroom, so I hope it is the same for you at home. Remember, I do not expect you to do everything, there is something for everyone to enjoy and have fun doing.

Have another great week of learning ☺

Miss Riley

The Week Ahead! Week commencing 6th July 2020

Next week our focus story will be 'The Singing Mermaid' by Julia Donaldson. We will explore different sea creatures featured in the story and find out about what it's like to be in the Circus today!
