

St Mary's Church of England Primary School

Home Learning

This week we will continue learning about life underwater. We will also be thinking about why it is important to share with others.

Please continue to share your home learning with me sam.riley@stmarysprimary.net

See Attached.</p>  |

AND/OR Your child may like to watch an episode of Numberblocks to revise their number skills.

Topic

Jellyfish Art

Can you use different media to create your own jellyfish? You could use tissue paper, paint, paper plate or paper. Don't forget those long dangling tentacles!

Singing and Dancing

Stormy Weather

In the story, there was a storm.

What is a storm?

What sounds can you hear in this video?

<https://www.youtube.com/watch?v=10rH37YYvKU>

Now watch the children in this video and use your body to make stormy weather sounds.

Scissor Control

Using scissors can be tricky! Can you use the rhyme to help you to cut? Two fingers on the bottom and your thumb on the top. Open the mouth and go chop, chop, chop!

Can you practise your cutting skills? You could cut out one of the character masks attached.

Rock Pool Craft

Using different media, create a new rockpool for crab and his friends.

| | | | | | |
|---------------|---|--|--|---|---|
| Thinking Time | At the beginning of the story, the crab didn't want to share his shell. Why is it important to share with others? | Think about how you can make someone smile this week? What kind things might you be able to say or do to make someone happy?  | Watch this bible story. What happens? How does Jesus help? https://www.youtube.com/watch?v=uYLHqdSO9OY  | Take some time to find a quiet place and read your favourite book.  | How are you feeling about being a year 1 in September? Are you nervous or excited about anything? I am happy for you to email me any questions you have about next year!  |
| Exercise | <p>Get yourself moving and try to complete a Joe Wicks or Go Noodle workout once a day.</p> <p>https://family.gonoodle.com/</p> <p>https://www.youtube.com/watch?v=d3LPrhI0v-w</p> <p>Chill out and relax by trying one of these children's yoga videos.</p> <p>https://www.youtube.com/user/CosmicKidsYoga</p> <p></p> <p>https://www.youtube.com/user/CosmicKidsYoga</p> <p></p> | | | | |

Please remember that activities can be carried out from the screen and/or be adapted and home learning book used. You do not need to print them out unless you want to. Share your child's learning with them and talk about their answers together.
