Learning for life with God as our guide

## CLASS 6 NEWSLETTER

### Our Christian Values

Peace; Friendship; Respect; Trust; Perseverance

### Term 2

Class Six have had an amazing term; the classroom has been filled with smiles, laughter and super learning! It is wonderful that the children have made a great start to life in Year Six and I am looking forward to more exciting learning and memories for their final year at St Mary's Primary School!

This term, the children have been transported back to Victorian times where they have learnt about what life was really like during the reign of Queen Victoria. They have taken part in a Victorian school day, researched, read and analysed different historical sources and presented their work beautifully in their topic books. The children have become super designers, creating and making their own teddy bear sized waistcoats in DT. The class have become stronger mathematicians, authors, coders and artists this term – we can't wait for a new term filled with exciting learning!

*As always, please see our class 'Termly Curriculum Overview' to see what your child will be learning about.*

### Homework

Homework will continue to be set on Fridays and will need to be completed by the following Wednesday.

There will be two pieces of work set, English and maths.

Homework is always appreciated and acknowledged. Children receive house points at school for each piece of homework they complete. Any outstanding pieces of homework and/or superb effort will be awarded a Homework Certificate in our celebration collective worship.

### P.E.

Our class PE days are Monday (taught by our Sports Coach) and Friday.

On Monday we will be focusing on Hockey skills and Wednesday our focus will be Dance and movement.

Please ensure you bring in your PE kits in a drawstring bag on these days, remove jewellery and tie long hair back.

Please remember to bring in jogging bottoms and jumpers in the colder winter months.

### Reading Classes 3 - 6

The children in Key Stage 2 are all given a reading book that is matched to their Accelerated Reader level. We assess this termly and adjust the choice of books accordingly. As the books are different lengths the children can return them when they are finished and select a new book to take home. Alongside their reading book they have a purple reading record that is for you to record everytime your child reads at home.

The children should be reading for 5 – 10 minutes every day to ensure they are getting the practice they need to develop their reading skills further.

### Contact

Please feel free to contact by email - I will always endeavour to reply as soon as possible.
