## A Message from Ms Comfort

### It's Christmastime!

There has been no let-up in our school Christmas celebrations which have continued this week at school.

On Tuesday, Key Stage two children and staff led us in our annual Carol Concert at St Mary's Church. Each class led a carol, Class 6 told the Christmas story, Class 4 acted this out and Class 3 provided a candlelit procession at the beginning. It was a beautiful service which was enjoyed by all.

Wednesday was our Christmas Dinner Day. Our school cooks did a grand job catering a Christmas Lunch for us all – huge thanks to them for making this such a successful event. Our Christmas jumpers brightened up the hall and everyone enjoyed themselves.

Party Day on Thursday allowed the children and staff to come together to pit their skills and wits against each other in a variety of games and activities! Team-work, co-operation and turn-taking skills were also well practised! The children all enjoyed their tea party afterwards; thank you for supporting us with this.

We rounded off our celebrations with our special Christingle Collective Worship this morning.

As we break up and take down our school decorations we are all looking forward to our family Christmas celebrations, as I am sure you are too. I would like to thank all children and staff for their hard work and dedication to always doing the very best they can. I would also like to thank families for their ongoing support.

On behalf of all of the staff I would like to offer the very best Christmas wishes to you all and look forward to seeing you in the new year.

Ms Helen Comfort – Executive Headteacher

### Christingle & Crib Service

St Mary's Church, Dover  
Cannon Street, Dover

**Christmas Eve at 4:00pm**

A traditional Christmas service for the whole family as we explore the nativity story and the first Christmas, with Christingles!

Feel free to come dressed as your favourite nativity character, a shepherd, a king, and angel, or maybe a donkey... the kids can dress up too!

### Collective Worship at St Mary's CEP School

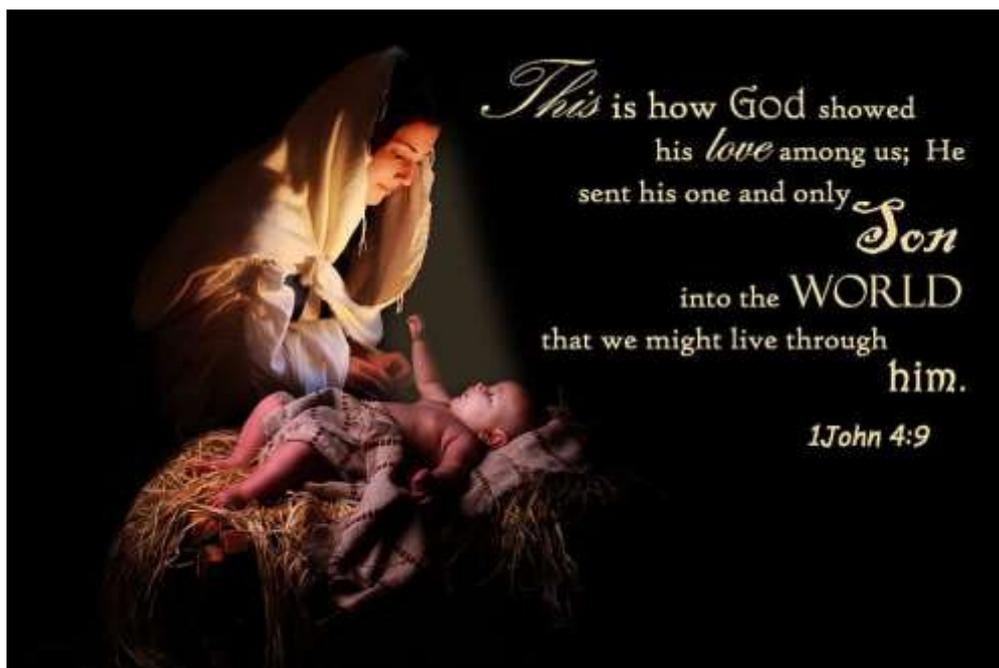

We lit the fourth Advent Candle in our wreath this week and thought about its meaning – Love, remembering Mary, the mother of Jesus.

We thought about how we would react if someone asked us to do something really important and special as Mary is asked to in the story. We considered what Christmas means to Christians and to each of us.

## Thought for the Week

### Learner of the Week

Congratulations go to the following Star of the Week:

**Class R** - **Arthur** is Turtles Learner of the Week. He has settled into his new class and shown everyone what a kind and helpful person he is. Well done Arthur!

**Class 1** - Our Learner of the Week in Starfish Class is **Aria**. She has tried so hard with her phonics and loves using her phoneme fingers to sound out! This week she blended her sounds confidently to make words on her own. Well done Aria!

**Class 2** - Miss Sayer and Miss Wrench are super proud of Otters Learner of the Week. They have tried their best with every task and have produced some fantastic work. They are a kind, polite and helpful member of the class and put a smile on our faces every day.

**Class 3** - **Ariella** is our Learner of the Week in Puffins Class. Ariella has progressed tremendously and has participated in many more activities and tasks. Ariella has persevered throughout many lessons and has worked collaboratively with her peers to develop her skills with great enthusiasm. Well done Ariella!

**Class 4** - **Brodie** is Penguins Learner of the Week for the brilliant effort and attitude he has had in class. He is focussed and keen to succeed in all learning, being the best he can be. We done Brodie! A lovely attitude - keep it up!

**Class 5** - **The Whole of Orcas Class** are our Learners of the Week this week. All the adults are so proud of their progress this term. They have been so well behaved and persevered with their swimming! However, we are most proud of their performance at the Carol Service. Well done Orcas Class!

**Class 6** - **Phoebe** is Learner of the Week in Seahorses Class. She has worked extremely hard with her learning and should be very proud. In English, Phoebe has written a brilliant informal letter in the role of Michael from our book, Skellig. Phoebe always tries her best with all her learning and produces fantastic work that she should be proud of.

## Coronavirus Symptoms

On Tuesday 29 March, the Secretary of State for Health and Social Care, Sajid Javid, set out the next steps for living with COVID-19 in England from Friday, 1 April.

### Updated guidance

Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school, college or childcare when they no longer have a high temperature, and they are well enough to attend. Children and young people with a positive COVID-19 test result should try to stay at home and avoid contact with other people for 3 days, which is when they are most infectious.

Adults with the symptoms of a respiratory infection, and who have a high temperature or feel unwell, should try to stay at home and avoid contact with other people until they feel well enough to resume normal activities and they no longer have a high temperature. Adults with a positive COVID-19 test result should try to stay at home and avoid contact with other people for 5 days, which is when they are most infectious.

## What to do

### Choose a school

It's important to find out more about the schools you are interested in before you decide to name them on the application form.

Read the guide to Primary admissions at [www.kent.gov.uk/primaryadmissions](http://www.kent.gov.uk/primaryadmissions).

You can name up to three Primary schools, inside or outside of Kent, but you must name them all on the same application.

### Apply for a school place

A simple, fast, convenient process which opens **Friday 4 November 2022** and closes at midnight on **Monday 16 January 2023**.

You will first need to set up an online account. The applicant is you, the parent/carer; you will then need to add your child's details before starting an application. You will receive a confirmation email that your application has been correctly submitted.

You can log back in at any time to view the information submitted.

### Receiving your offer

On offer day (**Monday 17 April 2023**) an email will be sent after **4pm** informing you of your offer.

You must accept or decline the school place you have been offered by **Monday 1 May 2023**. A link to a guide with information you will need to provide the school with will be in your offer email.

If it has not been possible to offer your child a place in your preferred school, you have the right to appeal. You can also add their name to the school's waiting list.

Moving house during the application window will likely complicate your application and we therefore advise you to pay special attention to key dates in the admissions process. KCC has no discretionary authority to vary the process for parents who cannot complete address moves in time to make use of them for admissions purposes. If you have queries relating to this, please email the team on one of the email addresses below.
