Learning for life with God as our guide

CLASS 3 NEWSLETTER

Our Christian Values

Peace; Friendship; Respect; Trust; Perseverance

Class 3 has had an absolutely unforgettable year, filled with discovery, growth, and a whole lot of fun! We've journeyed through a range of exciting and diverse topics, from unravelling the mysteries of the Ancient Egyptians, exploring the science behind light, and learning about Sikhism, to picking up French greetings and embracing the joy of playing the xylophone and tennis. These subjects have not only expanded our knowledge but sparked curiosity and creativity across the class.

Beyond the classroom, we've been fortunate to take part in an array of enriching experiences that have brought our learning to life. Our trip to Dover Castle was a highlight, offering us a hands-on glimpse into history. The Road Safety workshop taught us essential skills to stay safe, while our visit to Dover Museum gave us a deeper understanding of our local heritage. And who could forget the magical experiences at Forest School, where we learned new outdoor skills and connected with nature in the most rewarding way?

Through all of these experiences, we've not only learned new facts and skills, but we've also built lasting friendships and strengthened our sense of community. The teamwork, collaboration, and shared enthusiasm in Class 3 have been incredible to witness.

As we look back on this truly amazing year, we are also filled with excitement for what lies ahead. Year 4 promises to bring even more opportunities for exploration and growth, and we can't wait to embark on the new challenges and adventures that await us!

Homework

The children have made impressive progress with their homework over Terms 5 and 6. We've seen a noticeable increase in the number of students who are not only completing their homework consistently but also doing so to a high standard. It's been wonderful to watch their commitment and pride in their work grow, and this improvement reflects their growing responsibility and enthusiasm for learning. The effort they've put in has truly paid off, and it's been a joy to see them take such ownership of their learning.

P.E.

During Terms 5 and 6, we've had the opportunity to explore a variety of exciting activities, including Athletics, Tennis, Cricket, and Outdoor Adventurous Activities. The children have worked hard to develop and refine their skills in each of these areas. I'd like to express my sincere thanks to all the adults for ensuring their children are fully equipped with the correct PE kit, allowing them to participate fully and enjoy every aspect of our PE sessions this year.
