Use name labels

Use name labels in all belongings

Especially for jumpers, cardigans, lunch boxes and water bottles.

Home learning

You can help your child with their learning at home by:

- Reading with your child everyday, use VIPERS for questioning.
- Support Maths with White Rose Maths and Classroom Secrets home learning.
- Practice Phonics using Phonics Play.
- Use the class page on the school website to look for additional home learning resources.

Year 2 Welcome to our lesson by lesson overview for 2020-21. This has been de give schools a clear progression to follow in case a blended learning appro ken into account potential lost learning during cap lessons. These are indicated with an (\mathbb{R}) Each lesson will link to a video tutorial pro an be used in a variety of ways: ome if classes, local areas or everyone goes into lockdo nall groups during interve TAs or learning assistants, particularly with mixed age class s are freely available and most of them an ugh the premium website. We will also make the nor version of the video available to use as a front of class teaching tool ons that say 'activity' the activity will be explained through the video btraction - finding the difference NF-1 AS-2 traction - finding the difference NF-1 AS-2 and see where to prioritise learning. You can find the full guidance docu which includes the meanings of each code. year in line with this progression. We recommend, if you are using this, to use the

A full plan of what we are learning this year is available on the school website.

For term 1 and 2 we will be covering the following:

<u>Maths</u>

We will be following the White Rose Lesson by Lesson overview for 2020/21.

During terms 1 and 2 we will cover the following mathematical concepts: place value, addition and subtraction, money and multiplication and division.

Literacy

Our reading and writing will focus on the books Dolphin Boy, Lost and Found, Jack and the Beanstalk, Goldilocks, Hansel and Gretel, Red Riding Hood and Into The Forest as well as other texts and resources to support learning about stories, traditional tales and non-fiction writing.

What we are learning

- <u>Science</u> We will focus on Living Things and Their Habitats which will link closely to our overall topic on Polar Regions.
- **<u>RE</u>** Creation and Incarnation
- <u>PE</u> Circuit Training, Striking and Fielding Games, Dance and Invasion Games.
- French Greetings and All About Me.
- <u>Music</u> Songs with actions and percussion, improvising and composing songs and other songs linked to the curriculum.
- <u>Computing</u> E-Safety and Programming/Coding.
- <u>Art and DT</u> Drawing and Printing.
- DT Textiles templates and joining techniques.
- <u>PSHE</u> Health & Well-being Safety First and Relationships VIPS.
