

<p style="text-align: center;">English</p> <p>This term in English our work will be focused on the fiction text <i>The Whale Who Wanted More</i> and the poetry text <i>It Came from Outer Space</i>.</p> <p style="text-align: center;">Children will continue to:</p> <ul style="list-style-type: none"> Undertake a range of writing opportunities, including story writing, writing their own innovated fiction and writing instructions. Explore and respond to the text using drama and during read aloud sessions. Become authors by retelling the story in a variety of ways before creating their own stories. Discuss words and phrases that capture the reader's interest and imagination. 	<p style="text-align: center;">P.E</p> <p style="text-align: center;">Athletics and Team Building</p> <p>This term in Athletics we will be practising lots of different skills leading up to our sports day, including: long jump, javelin, balancing, throwing and catching and relay races</p> <p>In Team Building, we will learn to co-operate with a partner to complete challenges and to develop working as a team., talking, listening and sharing skills.</p>	<p style="text-align: center;">MUSIC</p> <p style="text-align: center;">Pitch (Musical Me)</p> <p>Class 2 will learn to sing and play the song, 'Once a Man Fell in a Well,' connecting the melody to specific pitches. The children will explore how different notes correspond to different parts of the song, using instruments to recreate the tune accurately. Additionally, they will begin to recognise how simple symbols can represent pitch, developing the ability to read and interpret musical notation.</p>	<p style="text-align: center;">MATHS</p> <p>In Maths this term, we will continue exploring fractions, including finding one third, a whole, unit fractions and non-unit fractions. We will identify the equivalence of one half and two quarters and recognise three quarters.</p> <p>We will also focus on Time, Statistics and Position and Direction. We will be strengthening our knowledge of telling the time as well as telling the time to the nearest 15 minutes. During our statistics topic, we will be learning to interpret and draw pictograms and making tally charts tables.</p> <p>When learning about Position and Direction, we will be using specific language to describe turns, movements and positions as well as shaping patterns with turns.</p>
<p style="text-align: center;">SCIENCE</p> <p style="text-align: center;">Plants</p> <p>We will continue to observe how the seeds we planted grow into a mature plant. We will look at the results of our comparative tests to confirm that seeds need water to germinate.</p> <p>We will explore these enquiry questions: What Does a Seed Need to Grow? What Does a Plant Need to Stay Healthy? What Is the Lifecycle of a Plant?</p> <p>We will also be growing our very own runner beans or sunflower to take home at the end of term!</p>	<p>St Mary's CEP School Term 6 2025-26 Overview CLASS 2</p> 		<p style="text-align: center;">RELIGIOUS EDUCATION</p> <p style="text-align: center;">Islam</p> <p>This term we will continue to focus on Islam. We will be finding out how and why Muslims pray and worship at the mosque and learning about the Mosques near where we live.</p> <p>We will be learning some Muslim holy words and thinking about what we can learn from these words. We will also be discovering what happens at the celebration of Eid-ul-Fitr, and why.</p>
<p style="text-align: center;">HISTORY</p> <p style="text-align: center;">What is a monarch?</p> <p>Class 2 will explore the role of a monarch and compare the monarchy today with the monarchy in the past. The children will investigate how William the Conqueror became King and learn how he used castles to rule. We will learn about different types of castles and consider how these evolved over time. We will explore different types of castles, including motte, bailey and stone castles, and discover how castles changed and developed over time to become stronger and more secure.</p>	<p style="text-align: center;">DT</p> <p style="text-align: center;">Mechanisms: Making a Moving Monster</p> <p>This term we will be focusing on Mechanisms where we will be looking at objects and understanding how they move, before creating our design and making a moving monster agile.</p>	<p style="text-align: center;">COMPUTING</p> <p style="text-align: center;">Data Handling International Space Station</p> <p>This term we will be focusing on Data Handling. We will be focusing on the International Space Station and will be learning how computers help humans live in space.</p>	<p style="text-align: center;">PSHE</p> <p style="text-align: center;">Changing Me</p> <p>This term we will be learning about the natural process of growing from young to old and understanding that this is out of our control. We will be thinking about how our bodies have changed since we were babies and recognising the physical differences between boys and girls and using the correct names for parts of the body. We will also be thinking about what we are looking forward to in our next class.</p>
