Peace; Friendship; Respect; Trust; Perseverance

Term 5 and 6 - 2026

As we wrap up Term 6, we are proud to celebrate a fantastic end to the school year. Otters have continued to grow as curious, confident learners, exploring new ideas, tackling challenges, and enjoying memorable experiences together. These final terms have been filled with creativity, discovery, and a strong sense of community, setting a wonderful tone for the learning ahead.

The children had action packed terms filled with diverse learning experiences! In History, they explored the concept of a monarch, understanding the roles and responsibilities that come with leadership. In Science, the children conducted an in-depth investigation into plant growth over two terms, observing how plants develop and how to keep them healthy. In Maths, they tackled time, fractions, and statistics, sharpening their numerical skills through fun and practical activities. They also had an adventure in Forest School, connecting with nature and enhancing their outdoor learning. We have had such a delightful end to the year and have created many wonderful memories.

Have a fun, restful and safe summer and we wish you every success in Year 3!

As always, please see our class 'Termly Curriculum Overview' to see what your child has been learning about.

Homework

There will **not** be any homework set over the summer holidays. Please remember to continue to read and you could even play **TTRS** to enhance/consolidate your times table knowledge further.

You could keep a diary throughout the holiday if you wanted to or even sketch different places you visit.

P.E.

You will be informed about your child's PE days in the next academic year. Please ensure your child has a PE t-shirt, shorts and plimsols/trainers in a named drawstring bag ready to stay at school; this will remain in their locker during the term. Please ensure earrings are removed on these days, and long hair must be tied back. Your child may wear black/navy sports trousers and jumpers. Please ensure each item of clothing is NAMED.

Reading

Please continue to read in the summer.

Why not visit your local library and explore free amazing books?

Or join the Summer Reading Challenge at any of our Kent Libraries

It is running between Saturday 4th July to Saturday 5th September in Kent.

It is free and open to all children aged 4 to 11.

The children should be reading for 5 – 10 minutes every day to ensure they are getting the practice they need to develop their reading skills further.

Contact

Please feel free to contact by email - We will always endeavour to reply as soon as possible.
