Learning for life with God as our guide
CLASS 3 NEWSLETTER

Our Christian Values

Peace; Friendship; Respect; Trust; Perseverance

What a fantastic year it has been for Class 3! Over the past year, we have embraced every opportunity to learn, challenge ourselves and make wonderful memories together. From the very first day, the children have shown enthusiasm, resilience and a real love of learning, making it a pleasure to watch their confidence grow.

Our learning has taken us on many exciting adventures. We stepped back in time to discover what life was like in Ancient Egypt, investigated the fascinating properties of light, explored the powerful forces that create volcanoes and developed our French vocabulary by learning everyday greetings. We have also enjoyed expressing ourselves through music by learning the xylophone and developing our skills on the tennis court. Every topic has encouraged the children to think creatively, ask thoughtful questions and develop new knowledge and skills.

Our learning has extended far beyond the classroom. A memorable visit to Dover Castle helped us experience history first-hand, while our Fire Safety workshop provided valuable knowledge about keeping ourselves and others safe. We also enjoyed exploring our local environment during our visit to Connaught Park, where we linked our learning across art, science and geography. Our Forest School sessions have been another favourite, giving everyone the chance to work together, solve problems and develop practical outdoor skills while enjoying the natural world.

Alongside our academic achievements, the children have grown enormously as individuals. They have shown kindness, perseverance and respect, formed new friendships and supported one another through every challenge. It has been wonderful to see their confidence flourish and their teamwork strengthen throughout the year.

As we say goodbye to Year 3, we can all be incredibly proud of everything we have achieved together. We wish the children every success as they begin the next stage of their journey in Year 4, where we know they will continue to learn, grow and shine.

Homework

It has been fantastic to see the positive attitude the children have shown towards their homework during Terms 5 and 6. More children have been completing tasks regularly, and the quality of the work submitted has continued to improve. Their growing independence, perseverance and willingness to put in their best effort have been clear to see. We are incredibly proud of the dedication they have shown, and it has been rewarding to watch them become more confident and responsible learners as the year has progressed.

P.E.

During Terms 5 and 6, the children have enjoyed developing their skills in athletics, tennis, cricket and gymnastics. They have shown great enthusiasm, resilience and teamwork, and it has been wonderful to see their confidence grow throughout each unit.

A huge thank you to all parents and carers for ensuring children came to school with the correct PE kit. Your support has helped every child take part fully and enjoy our PE lessons.
