Summer Term 5&6 - 2026

As we reach the end of another busy and successful school year, I would like to thank you for your continued support and celebrate everything the children have achieved in Year 4. The children have made great progress across the curriculum, and we were particularly pleased with their excellent Multiplication Tables Check results. The final two terms have been packed with memorable experiences. The children enjoyed investigating local wildlife during our visit to Connaught Park, embraced a variety of practical challenges at Forest School, and demonstrated their enthusiasm, teamwork and sporting skills during Sports Day. They also spent two days getting to know their new teacher and classroom, helping them feel confident and excited about the transition to Year 5. To round off the year, everyone had a wonderful time on our Grand Day Out to Wingham Wildlife Park, creating lasting memories with their classmates. We hope you all enjoy a well-deserved summer break filled with rest, fun and family time. We wish every child the very best as they begin the next stage of their learning journey in Year 5, and we know they will continue to flourish.

As always, please see our class 'Termly Curriculum Overview' to see what your child has been learning about.

Homework

There will **not** be any homework set over the summer holidays. Please remember to continue to read and you could even play TTRS.

Why not visit the library and take part in the Summer Reading Challenge?

P.E.

You will be informed about your child's PE days in the next academic year. Please ensure your child has a PE t-shirt, shorts and plimsoles/trainers in a named drawstring bag ready to stay at school; this will remain in their locker during the term. Please ensure earrings are removed on these days, and long hair must be tied back. Your child may wear black/navy sports trousers and jumpers. Please ensure each item of clothing is NAMED.

Reading

Classes 3 - 6

The children in Key Stage 2 are all given a reading book that is matched to their Accelerated Reader level. We assess this termly and adjust the choice of books accordingly. As the books are different lengths the children can return them when they are finished and select a new book to take home. Alongside their reading book they have a purple reading record that is for you to record everytime your child reads at home.

The children should be reading for 5 – 10 minutes every day to ensure they are getting the practice they need to develop their reading skills further.

Contact

Please feel free to contact by email - We will always endeavour to reply as soon as possible.
