

All About Me

Term 1 2026

Personal, Social and Emotional Development.

We will be making friends and becoming explorers together. As we start our learning journey, the children in Reception will need to become a team and learn to work together. We will learn about good looking and good listening.

Communication and Language and Literacy

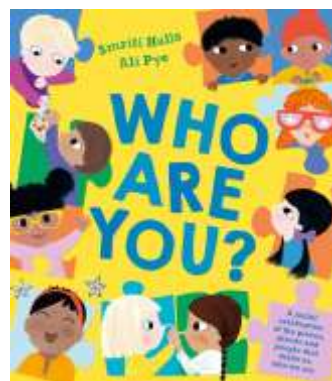

In class we will listen to stories such as; All Kinds of families, Our Class is a Family and Who are you?

In talk for writing, we will begin to retell simple stories e.g. The Little Red Hen and Rosie's Walk.

In reading, we will begin to recognise and name some of these phonemes:

s, a, t, p, i, n, m, d, g, o, c, k

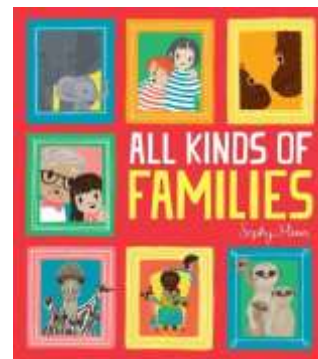

We will also begin to identify the initial sounds of words. In writing, we will practise writing the letters for our names.

Mathematics

We will provide opportunities for the children to find and match objects which are the same.

Children will also learn that collections of objects can be sorted into sets.

Physical Development

Using our outdoor area, we will explore different body movements. We will practise holding pencils and scissors and use them to make pictures and paintings. We will play different group games. We will use a range of small and large equipment.

Understanding the World

Who am I? Who is in my family? Where do I live? We will look at pictures of ourselves as babies and talk about how we have changed. We will share our own family history and talk about who is special to us and why.

Expressive Arts and Design

The children will be singing familiar songs and nursery rhymes. We will be painting self-portraits. Our role-play will be transformed into a kitchen and outside there will be a baby clinic.
