Learning for life with God as our guide

Friday, 23rd October 2026

Our Christian Values

Peace; Friendship; Respect; Trust; Perseverance

A Message from Mr Lamprell

What a wonderful first term we have had at St Mary's CEP with the children demonstrating resilience, perseverance and flourishing to be the best that they can possibly be! This term has certainly been fulfilling with many learning opportunities completed.

Owl Enrichment Day!

The children (and staff!) were thrilled to have The UK Owl and Raptor Centre visit school this week. This exciting enrichment event enabled the children to learn and see 'live in action' different species of owls; pupils were then inspired to complete a variety of themed activities throughout the day. Leading up to the event, the children became 'curious learners' and shared many thoughts as to what they were hoping to expect and/or ask questions to our visitor on the day. A fantastic learning opportunity enjoyed by all!

"The owls flew right over our heads, I felt its wings brush my hair!" Year 3

"It was really fun to see the owls, my favourite was Zazu (a Southern white-faced owl) who liked to fly and perch in the hall" Year 6

"I loved seeing the owls fly around the hall and even heard some hoots! I enjoyed all of the fun owl activities we did in school too!" Year 5

"My favourite owl was Haze (the Barn Owl), she was very pretty and had a heart-shaped face!" Year 2

Upcoming Parent-Teacher Consultations

As you will be aware from the letter sent out this week, details of next term's parent-teacher consultation meetings have been shared. These meetings will be held **week beginning 16th November**, and as always for convenience, we are offering an after-school or afternoon time slot. Please do sign up to see your child's class teacher. It is an excellent opportunity to discuss your child's learning, the progress they are making socially and academically, and browse through some of their exercise books. We look forward to seeing you all there. If you have any questions regarding this, please do ask.

Staff Training

This week, staff received valuable training from Anaphylaxis UK to strengthen our understanding of allergies and improve our preparedness for potential allergic reactions and emergencies. The training has helped to develop staff awareness of allergy management, recognising the signs of an allergic reaction and understanding the importance of responding quickly and appropriately in an emergency. The safety and well-being of all our children is our priority, and this training supports our continued commitment to providing a safe, caring and inclusive environment.

Swimming

Class 6 completed their swimming lessons this term and I am thrilled to say all of the children made fantastic progress with the vast majority of them now being able to confidently swim at least 25 metres and perform a safe self-rescue – congratulations to all involved in these achievements.

Class 5 start their school swimming lessons after the half term break. Learning to swim is a crucial life skill and is a requirement of our National Curriculum, we expect all children to take part in these lessons. I look forward to all of our children becoming confident swimmers!

Nursery Visits – Reception 2027!

Miss Graham has thoroughly enjoyed getting out into the community and meeting prospective families at several of our local nurseries this week, this will continue throughout Term 2. Families appreciated the opportunity to speak to Miss Graham, who shared information about our lovely school.

It has been a pleasure to continue to show many families around school this week.

Do you have a child born between 1st September 2022 and 31st August 2023?

If so, they will be eligible to start school in September 2027. We invite families to book an appointment to come and have a look around our school at a time that is convenient. Please do spread the word to anyone you know with a child of the right age.

I wish you all a restful and enjoyable half term break. Thank you all for your continued support as families and school work in partnership to support the children's learning and development. Monday 2nd November is a staff training day and therefore the children are not required to be in school on this day. All pupils are due back in school on **Tuesday 3rd November** for the start of Term 2 – I look forward to seeing you all then.

Mr Matthew Lamprell - Headteacher

Spotlight on SEND....

Supporting Children's Emotional Wellbeing and Resilience

Helping children understand their feelings and develop positive ways to cope with life's ups and downs is an important part of growing up. There are lots of useful websites available to support children and their families with emotional wellbeing, mental health and resilience.

We would like to share three helpful resources that offer advice, activities and support for children, young people and their families.

Kent Resilience Hub

The Kent Resilience Hub provides information, advice and support for children, young people, parents, carers and professionals. It offers helpful guidance on building resilience, managing emotions and supporting children through challenges - <https://kentresiliencehub.org.uk/>

MoodSpark

MoodSpark is a website created by young people, for young people. It offers fun activities, useful information and resources to help children and young people understand their feelings, look after their emotional wellbeing and build resilience - <https://moodspark.org.uk/>

Soluna by Kooth

Soluna offers free, safe and anonymous online mental health support for children and young people. The website includes self-help resources, a supportive online community and access to trained counsellors, helping young people find support when they need it - <https://solunaapp.com/uk>

Family Challenge: Take Time to Talk!

This week, we encourage all families to take 10 minutes together to talk about feelings and wellbeing.

- Ask your child, "What has made you feel happy or proud this week?"
- Talk about what helps them when they feel worried, sad or frustrated.
- Explore one of the websites above together and choose a helpful activity or resource to try.

Remember, every feeling matters, and it is okay to ask for help. By talking openly, listening to one another and knowing where to find support, we can help our children grow in confidence and build resilience.

Mrs Charlotte Burkett - SENCO

Go with the FLO...

I have had a truly incredible first term at St Mary's and want to say a big thank you to everyone who has welcomed me to the school, and helped me settle into my role. We really do have the best children and families here at St Mary's.

As we now enter half term you may be looking for some fun to fill the autumn days, so I have put together a little guide to local events happening in and around Dover.

Here are a couple of fantastic extra free activities you can add to your family calendar:

Thursday, 29th October Roman Painted House Family Activities Get hands-on with local history by crafting Roman helmets and designing soldier sheets. A great drop-in activity for the daytime! Time: 10:00am-4:00pm Location: Roman Painted House, New Street, Dover Cost: FREE	Saturday, 31st October Dover Library Children's Crafts A festive, warm indoor drop-in craft morning perfect for children aged 4 to 11. Time: 10:30 AM – 12:30 PM Location: Dover Library, Market Square Cost: <u>FREE</u>
---	--

Have a safe, fun, and restful half-term week and see you all next term!

Miss Lisa Graham – Family Liaison Officer

Congratulations go to the following Learners of the Week:

Class R – Turtles Class Learner of the Week is **Juan**! Juan comes into school every day with a smile on his face ready to learn. He enjoys sharing his ideas on the carpet and getting busy with his friends. This week he has wowed us with his super counting in maths, where he could recognise numbers to 5! Well done Juan!

Class 1 – Starfish Class Learner of the Week is **Michal**! Michal has been showing all our school values, especially perseverance and respect. He has been especially determined when working on his English, making sure to include capital letters and question marks when writing our sentences and using his sound mat for spellings. Well done Michal - you're a star!

Class 2 – **EVERYONE** in Otters Class are our Learners of the Week for their fantastic efforts and positive attitudes! They have been trying their best in their learning, showing enthusiasm and working hard to complete their tasks. The children demonstrated wonderful behaviour during our special Owl Visit this week, sitting quietly and listening carefully. They showed great respect during the visit. Well done everyone – we are all so very proud of you!

Class 3 – **Judith** is our Learner of the Week in Puffins Class as she has worked incredibly hard in every task she has completed. She has shown great skills in Maths, particularly when using the column method to add and subtract, and produced a brilliant recount about our owl workshop in English. Judith is always ready to learn, listens carefully to instructions and consistently follows our school rules. She is a kind and thoughtful member of our class who always shows lovely manners towards others. She is a pleasure to have in our classroom, and we are so proud of the effort and positive attitude she shows every day. Keep up the amazing work!

Class 4 – Our Learner of the Week in Penguins Class is **Noah** as he has had a fantastic first term in Year 4! Noah always focuses well on his learning by listening carefully and completing tasks with care. He has recently produced an excellent non-fiction text, using all of the relevant features. In Mathematics, he has made great progress in our unit of work on addition and subtraction. This week Noah responded really well to our 'Owl Day' by writing a very creative haiku poem and making a lovely clay model. Noah's behaviour in school is excellent and he demonstrates our Christian values every day! Well done Noah - Keep believing in yourself!

Class 5 – **Cayden** is our Learner of the Week in Orcas Class as he is a truly kind, considerate and empathetic member of our school community. His willingness to offer a helping hand, show compassion and support to his peers makes him a wonderful role model. We are incredibly proud of the positive difference he makes to those around him – keep being your wonderful self Cayden!

Class 6 – **Omar** is Seahorses Class Learner of the Week for the wonderful effort he has demonstrated in all aspects of Year 6. Omar has had a wonderful, calm and helpful attitude, and has completed all work asked of him. He has impressed us with his wonderful mathematical ability, and wowed us with his writing. Omar's general behaviour has been most impressive, showing a more mature and calmer attitude. A wonderful week! Well done Omar!

Collective Worship at St Mary's CEP School, Dover

This week our theme for Collective Worship has been kindness - we started by reflecting on the story of 'The Good Samaritan'.

We considered who helped the injured man lying on the road to Damascus and who walked on by. The children came up with their own ideas of how they could be kind to others. We then thought about the theme of 'paying kindness forward' to others and how this can spread kindness 'far and wide'.

Being kind doesn't always seem to be an easy choice but we decided that it can make a huge difference to others, especially when unexpected - for example, to a stranger in need.

Admission to

Primary school in Kent 2027

KCC residents apply online at
kent.gov.uk/primaryadmissions

Opens Friday 6 November 2026 and closes at
midnight on Friday 15 January 2027

For children born between
1 September 2022
and **31 August 2023**,
Transferring to Primary school
in **September 2027**

What to do

Choose a school

It's important to find out more about the schools you are interested in before you decide to name them on the application form.

Read the guide to Primary admissions at www.kent.gov.uk/primaryadmissions.

You can name up to three Primary schools, inside or outside of Kent, but you must name them all on the same application.

Apply for a school place

A simple, fast, convenient process which opens **Friday 6 November 2026 and closes at midnight on Friday 15 January 2027**. Other LA deadlines may differ.

You will first need to set up an online account. The applicant is you, the parent/carer; you will then need to add your child's details before starting an application. You will receive a confirmation email that your application has been correctly submitted.

You can log back in at any time to view the information submitted.

Receiving your offer

On offer day (**Friday 16 April 2027**) an email will be sent to you informing you of your offer.

You must accept or decline the school place you have been offered by **Friday 30 April 2027**. A link to a guide with information you will need to provide the school with will be in your offer email.

If it has not been possible to offer your child a place in your preferred school, you have the right to appeal. You can also add their name to the school's waiting list.

Moving house during the application window will likely complicate your application and we therefore advise you to pay special attention to key dates in the admissions process. KCC has no discretionary authority to vary the process for parents who cannot complete address moves in time to make use of them for admissions purposes. If you are moving, please email the team on one of the email addresses below for advice.

Key dates

Friday 6 November 2026	Online application process opens. Go to www.kent.gov.uk/primaryadmissions to register and apply.
Friday 15 January 2027	Online application process closes for the main round. Any amendments after this date must be emailed to kentonlineadmissions@kent.gov.uk
Friday 16 April 2027	Offers of school places sent to parents via email after 4pm.
Friday 30 April 2027	Parents should contact the school to accept/refuse the place that has been offered and can use the link in the offer email to ask for their child to be added to the waiting list of schools named on the original application.
Monday 17 May 2027	Appeals need to be lodged by this date to be heard before September – appeals information can be found at www.kent.gov.uk/schoolappeals . You can only appeal for schools that were named on the application form.

Need help?

Email primaryadmissions@kent.gov.uk

Full information booklet can also be viewed online at kent.gov.uk/primaryadmissions

Only one application per pupil will be accepted. If you apply online, do not complete any other form of application. Keep your login details safe and use your registered email address for all communication with the team.

The confirmation email may go to your junk/spam folder of your email – please check here before contacting our team for confirmation.

Please note applications can only be made via Kent County Council (KCC) if the child resides at a KCC address. If your child does **not** reside at a KCC address, you must make an application via your Local Authority.

Admission to

Primary school in Kent 2027

For children born between
1 September 2022
and 31 August 2023,
Transferring to Primary
school in September
2027.

Common misconceptions

MYTH #1

Attending a nursery or pre-school will automatically guarantee your child a space at the associated school.

TRUTH

You must still apply using the online application portal at:

www.kent.gov.uk/primaryadmissions 

★ Nurseries and primary schools are not linked for admissions purposes.

MYTH #2

A sibling attending the school will automatically guarantee your child a space at the same school.

TRUTH

You must still apply using the online application portal at:

www.kent.gov.uk/primaryadmissions 

★ If eligible, your application may be considered under a school's 'sibling' oversubscription criteria.

MYTH #3

Attending an infant school will automatically guarantee a space for your child at the linked junior school.

TRUTH

You must still apply using the online application portal at:

www.kent.gov.uk/primaryadmissions 

★ Children do not automatically transfer to a junior school. Admissions are ranked according to the school's admission criteria, including any linked school arrangements.

www.kent.gov.uk/primaryadmissions

Full information booklet can also be viewed online at kent.gov.uk/primaryadmissions

After School Wraparound Care A message from Olympus Learning Collective

We offer our wrap-around care with flexible collection times and pricing:

- **Until 4:15pm** – £5.50
- **Until 5:00pm** – £10.00 *(includes a hot snack)*
- **Until 5:45pm** – £14.00 *(includes a hot snack)*

To help us manage places effectively, all sessions should be booked in advance using our online booking system ([Olympuslc.magicbooking.co.uk](http://olympuslc.magicbooking.co.uk)).

This can be accessed by scanning the QR code on the image below, and we will also provide a simple step-by-step guide to support you.

Same-day bookings online can be made up until 11:00am. After this time, availability cannot be guaranteed.

If you need to request a booking after this time, please contact us on:

07879 755588 / stmarys@olympuslearningcollective.co.uk

Please note that responses may not be immediate, as messages can take time to be received and processed.

We continue to accept **Tax-Free Childcare**, which can save you up to 20% on fees. We also work alongside **Universal Credit**, allowing eligible families to claim back a portion of childcare costs.
