Our Christian Values

Peace; Friendship; Respect; Trust; Perseverance

A Message from Mr Lamprell

It has been another busy and productive week at St Mary's CEP! It was lovely to see many parents/carers in school for our parent-teacher-consultations. We were delighted with the fantastic turnout and the opportunity to share your child's/children's progress and celebrate their achievements. For those who were unable to attend their scheduled appointment, our office team will be in touch to arrange a face-to-face meeting with Class Teachers next week. Thank you for your continued support and for working in partnership with us.

Anti-Bullying and Mental Health Week!

This week, the children participated in our annual Anti-Bullying and Mental Health week. This year's theme – 'Break the Silence' – encouraged children to feel confident in speaking up and act against bullying. The children enjoyed working on this focus with Mrs Wallis reporting, '*We completed a range of activities in school this week to promote anti-bullying week. The children wore odd socks on Monday to celebrate our differences and completed a 'Kindness Challenge' across the week. To complete the challenge the children needed to tick ten acts of kindness, including: giving a compliment to a friend, being a playground hero and including everyone. The children worked hard to tick all ten challenges! We thought about how we could 'Break the Silence' by making a 'helping hand'. The children thought about the wide variety of people they could talk to if they were feeling worried or needed help. They designed a hand that incorporated a picture of that person ready to create a whole school display*'

School Curate Placement

It was lovely to have Revd. Margaret Bowers in school this week as we supported with her school curate placement. As a Church of England Primary School, we regularly collaborate with the Diocese of Canterbury; this being another example of us 'shining our light' and enabling others within our community to experience the fantastic things that happen in our school.

The purpose of the placement is to support curates to develop confidence and skills in their service to schools. Revd. Margaret enjoyed a full timetable of activities and experiences across our classes and fully immersed herself in school life! She was able to explore with us, how we promote and celebrate our school Christian values and how they are central to our day to day life at St. Mary's CEP.

Revd. Margaret reported: '*You are the light of the world – let your light shine before others (Matthew 5:14-16).*

My name is Revd Margaret and as part of my Curate training programme, I have had the privilege of spending the past four days as a guest here at St Mary's.

Thank you to the staff and the children; you are all amazing. The values of the school have been evident at every turn. The friendship and caring of the St Mary's community, children to children and staff together are forming a wonderful respect for each other and that nurturing is so evident in the joy and caring nature which I experienced, and exudes throughout the school.

I have made biscuits, been introduced to the ukulele and enjoyed visiting and joining in in every class! The Forest School with Year 5 was outstanding!

There is so much activity and enthusiasm from the children and staff, that the children cannot but thrive, develop and flourish.

Thank you, St Mary's, – you are certainly letting your light shine before others.

God bless you, thank you – Revd Margaret'

Wonderful Learning!

It has been another wonderful week of learning completed by our pupils. I always feel proud when hearing children talking about their learning – the thirst and enthusiasm from the pupils is what makes it special. The children were not only able to share what they had learned in their lesson, but were able to recall on prior knowledge and skills taught to expand on their explanations. In addition, it was particularly lovely to hear some super feedback from Mr Robin File (Kent Music Teacher). Mr File teaches our Class 4 children how to play the ukulele focusing on technique and pitch. Mr File works in many Kent primary schools and noted how he always looks forward to his sessions at St Mary's CEP – he commented on how welcoming and engaging the children (and staff) are, as well as how special our school is. A fantastic enrichment activity that we offer our children!

'I liked it when we got to play the song 'My Dog has Fleas', because we learned about the different strings' - Celeste

'Mr File is funny and we do some funny warm-ups before we play' - Logan

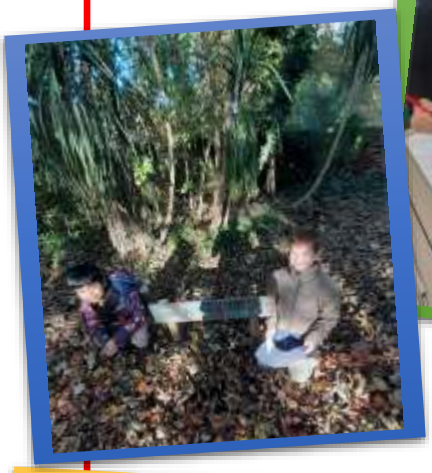

'I have learned the C Chord so far' - Bethel

'I like it when Mr File chooses a song we know and we can join in with it' - Arnav

And it is not just Music that the children have enjoyed… ask your child/children what their favourite learning has been this week.

What is Kent Therapeutic Support Service?

The new Children and Young People's Therapeutic Support Service (TSS) supports children and young people in Kent who would benefit from support to improve their emotional wellbeing.

It is likely that all children and young people will experience challenging life events and transitions as they grow up. Many can navigate this with the support that they have around them but some will need extra help.

The Therapeutic Support Service is available for all children and young people who:

- Are aged 4 (school entry age) – 18 (up to 19th birthday)
- Live in Kent or attend a Kent education setting
- Are experiencing mild to moderate emotional well-being needs
- Would benefit from a brief period of early intervention or support

Anyone can refer to TSS, including parents, professionals and the child or young person themselves.

If you'd like to discuss a possible referral first, you're welcome to call the team on 01303 667 700 - lines are open 9:00am – 5:00pm, Monday–Friday. Alternatively request a referral using the link below:

Keeping Our Children Safe: Parking & 'Park and Stride' Reminder

We would like to remind all parents and carers of the importance of parking safely and considerately during morning drop-off and afternoon pick-up.

The yellow zigzag lines and double yellow lines outside our school gates are there for one vital reason: to keep our children safe. Stopping or parking on these markings - even for just a minute – creates dangerous blind spots for drivers, puts children crossing the road at risk, and can block access for emergency vehicles.

To help keep the school gates safe and stress-free, we encourage everyone to Park and Stride:

- Park a little further away – If you need to drive, leave a few minutes early and park legally a short five-minute walk from the school. Walking the final stretch reduces congestion right outside the gates and is a great way to add extra exercise into your child's day.
- Keep the zigzags clear – Never stop, drop off, or park on the yellow zigzag lines at any time.
- Avoid double yellow lines – Do not wait or park on double yellow lines near the school entrance.
- Keep pavements clear – Please do not park on the pavement, even partially. It forces children, families with pushchairs, and wheelchair users out into the road alongside moving traffic.
- Be considerate of neighbours – Please ensure you never block local driveways or dropped kerbs.

Thank you for your ongoing support and cooperation in helping us keep the roads and pavements around our school safe for every child.

Logan is working really hard with his effort and concentration, despite finding tasks challenging. A wonderful week! Well done Logan! We are very proud of you.

Collective Worship at St Mary's CEP School, Dover

It has been a thought-provoking week in Collective Worship! We started the week by launching Anti-Bullying week. The children discussed the meaning of 'bullying' and who they could talk to if they were worried. We explored the theme of 'breaking of silence' by sharing different ways children can speak up and act against bullying. Year 6 did a marvellous job acting out some different scenarios and solutions!

On Wednesday, Reverend Seb prompted the children to reflect on why it is important to be educated. We thought about how it helps in life now and how it will help in life in the future. The children shared their ideas to answer the question: Is it more important to be clever or to be wise?

On Thursday, Mrs Fagg invited the school to think about children globally and internationally, in particular focusing on children's rights to education, freedom, safety and fun.
