

Dover St Mary's Church of England Primary School

Learning for life with God as our guide

Puffins Class Weekly Newsletter

Friday, 22nd January 2021

A Message from Ms Comfort

The main message I want to give to everyone this week is thank you and well done. As well as juggling childcare, home schooling and working from home, we have families facing all sorts of other challenges.

I hope you are all feeling supported by the school in all that you are managing at the moment; we are trying hard to give a personalised approach to each of our families in recognition of the many different circumstances you find yourselves in. I hope that weekly telephone calls and daily email contact with the teaching staff are proving helpful to you, if you find the time do please let me know.

If you need any resources – exercise books, paper, pens, pencils etc – do please contact the school office to arrange collection. Similarly, do please let the school know if you are not able to access the home learning; we are only too happy to help.

I wish you all a safe weekend.

Ms Helen Comfort – Executive Headteacher

A Message from Miss Sayer

Hello Penguins,

I hope you are well and that you have enjoyed the learning this week. What has been your favourite activity? I really enjoyed spending some time drawing a still life picture, it was very relaxing!

It has been wonderful to see lots of photos of your amazing work this week. I am so proud of what you are achieving. I have even had some videos sent to me which made me smile 😊

Please continue to send in your work and to ask any questions you might have, I am always here to provide as much support as I can.

Although we all know how hard it is staying in all the time, it makes it a little bit easier with all this horrible weather we are having! I am trying to get outside for some walks whenever I can- it always feels better once you have been out for a breath of fresh air!

Stay safe and keep smiling ☺
Best wishes, Miss Sayer

Useful Weblinks

I loved watching the animals at the zoo last week!

Here is a link to the Natural History Museum website. They have lots of virtual tours and information videos that are incredibly interesting!

Thought for the Week

Collective Worship

Collective worship this week has been centered around the story of The Good Samaritan. Luke 10 verses 25-37. We discussed what our neighbours look like in our school, town and around the world. Completing small acts of kindness is a fantastic way to make a difference to someone's life.

Prayer

My heart was made for love

My words speak with compassion

My eyes see a chance for me to
make a difference to someone

So everyone knows they belong
and no one feels alone

Coronavirus Symptoms

Children or staff with any of the three symptoms of Covid:

- a new continuous cough
- a high temperature
- a loss or change to your sense of taste or smell

are to **stay at home** and isolate, as must the rest of their household. They should get a Covid test.

Children and staff must also stay at home and isolate if a member of their household has any of these symptoms until the outcome of a Covid test is known, and follow advice accordingly.

If your child has attended school for childcare and tests positive for Covid you must immediately inform the school – by telephone on 01304 206887 during the school day. If you get a positive result at the weekend, during the evening or in a school holiday please email office@stmarysprimary.net

To get a test go online to:

nhs.uk/coronavirus

OR

OR

Telephone 111

Free Online Courses for Families

Kent Adult Education is pleased to announce an expansion to their catalogue of free, online courses aimed at families. Follow the link to details of the courses, which are intended to be fun, boost learning and help to provide a bit of variety. Adults can book themselves on at any time.

The Week Ahead

Week Commencing Monday 25th January 2021

Next week, I have lots more fun and interesting learning in store for you! You will have the chance to have another go at some body percussion. I know how much you all enjoyed the last video, so I found another!

In French, you are going to be learning to speak about animals and pets and you have some instructions on how to create a Gratitude tree for your Thinking Time tasks.

Enjoy! ☺

Coronavirus - Keeping School Informed

Thank you to those parents who have continued to contact us to let us know if their child has symptoms of Covid and are awaiting a test and then advising the result of the test, either negative or positive.

Please could all parents and carers continue to do so, even if the child is not attending school, as we are required to report information daily to the DfE on the number of suspected and confirmed cases (just the number, no names).

Also could parents let us know each day, using the usual office@stmarysprimary.net email, if a pupil is ill and unable to do the set work just as you would if we were open as normal so we can make the teachers aware they will not receive any completed work that day from your child/ren. Thank you for your help with these important matters.

As always, please don't hesitate to make contact via email or telephone with any queries, comments or concerns you may have.

Helen Comfort - Executive Headteacher
