Class 5	Monday 08.02.2021	Tuesday 09.02.2021	Wednesday 10.02.2021	Thursday 11.02.2021	Friday 12.02.2021
Reading	<p>Read every day to enhance your reading skills. Remember reading does not just have to be books, it can be online, newspapers, comics etc. 10 minutes minimum. Keep a record in the back of your Home-Learning Book of everything you read.</p> <p>You can log in to this site to read a wide choice of books https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/ Maybe you could read to a younger brother or sister? Or the cat or dog? Or a flower or just to yourself. You may also like to visit the virtual library on Oak Academy https://library.thenational.academy/</p> 				
English Week 6	<p>https://www.childrensuniversity.manchester.ac.uk/learning-activities/languages/words/idioms-game/</p> <p>Have a go at some idioms this week.</p> <p>To plan a first set of instructions (thenational.academy)</p> <p>In this lesson, we will plan our first set of instructions to tame and train our dragons. We will use the film clip for inspiration and will generate</p>	<p>To practise and apply knowledge of suffixes: -ic, -al and -ity -tion -ness, including test (thenational.academy)</p> <p>In this lesson, we will practise and apply rules for adding suffixes and learn a new strategy to help us remember and spot patterns between spellings with the 5 suffixes from last lesson: -al, -ic and -tion, -ity, -ness.</p>	<p><i>It's wonderful Wednesday!</i></p> <p><i>Enjoy doing some activities from the list below or make up your own. I would love to see some pictures of what you are doing.</i></p> 	<p>To write a first set of instructions (thenational.academy)</p> <p>In this lesson, we will write our first set of instructions on how to tame and train your very own pet dragon!</p> <p><i><u>I would like to see this work from all pupils, please.</u></i></p>	<p>To plan a second set of instructions (thenational.academy)</p> <p>In this lesson, we will plan our second set of instructions about how to care for our pet dragons. We will use the film clip for inspiration and will generate ideas based on what we have seen and our own imaginations.</p>

	<p>ideas based on what we have seen and our own imaginations.</p> <p>Listen to the author reading chapter 17 of How to Train your Dragon</p> <p>Cressida reads How to Train Your Dragon: Chapter 17 - YouTube</p>	<p>Listen to the author reading chapter 18 of How to Train your Dragon</p> <p>Cressida reads How to Train Your Dragon: Chapter 18 - YouTube</p>		<p>Listen to the author reading chapter 19 of How to Train your Dragon</p> <p>https://www.youtube.com/watch?v=Se3IjpLcYW4</p>	
Mathematics	<p>Warm up https://www.topmarks.co.uk/maths-games/hit-the-button</p> <p>Try one of the maths games on this site</p> <p>Conversion graphs (thenational.academy)</p> <p>Today we will be looking at a different type of line graph: a conversion graph. We will discuss what they are and how they are used. We will then construct our own conversion tasks which will allow us to convert between centimetres and inches</p>	<p>Warm up https://www.topmarks.co.uk/maths-games/hit-the-button</p> <p>Try one of the maths games on this site</p> <p>Reading timetables (thenational.academy)</p> <p>Today we will be introducing timetables, what they can tell us and the skills we require to use them accurately when interpreting the information they possess. We will then be using a timetable to help respond to a series of questions and requests as an example of real life context.</p> <p><i>I would like to see this work from all pupils, please.</i></p>		<p>Warm up https://www.topmarks.co.uk/maths-games/hit-the-button</p> <p>Try one of the maths games on this site</p> <p>Calculating time intervals on timetables (thenational.academy)</p> <p>Today we will be sharing efficient methods for calculating the time intervals listed on timetables. By using the methods modelled, we will be able to identify missing information on incomplete timetables.</p>	<p>Warm up https://www.topmarks.co.uk/maths-games/hit-the-button</p> <p>Try one of the maths games on this site</p> <p>Timetables questions (thenational.academy)</p> <p>Today we will be exploring bus and train timetables, using our skills to interpret the information to answer a range of questions as well as generating our own questions to match the information provided. We will also be looking once again at the how the strategy of an empty number line can help us calculate time intervals with the assistance of some teacher modelling.</p>

Other subjects	<p>Religious Education Bible Quest: Moses « RE:start (request.org.uk) ➤ How did God, through Moses, bring freedom and justice to God's people?</p> <p>Research a famous Christian person. It does not have to be a person from the Bible. It could be a celebrity or famous leader.</p>	<p>Topic - Vikings</p> <p>Viking Gods https://www.youtube.com/watch?v=8WbGEXzZgbY https://www.youtube.com/watch?v=Qytj-DbXMKQ</p> <p>Watch these clips. One is about Viking Gods and the other is the story of Thor. Choose your favourite Viking god and write an information page for him/her. <i>I would like to see this work from all pupils, please.</i></p>		<p>Music</p> <p>https://classroom.thenationalacademy/lessons/to-explore-ostinatos-6wvk8t?step=2&activity=video This lesson starts with a welcome song, 'Funga Alafia', followed by an exploration of ostinatos - repeated rhythms or patterns.</p>	<p>Science</p> <p>https://classroom.thenationalacademy/lessons/how-can-you-separate-a-mixture-of-sand-salt-and-water-6rtpct</p> <p>In this lesson we will learn about how to separate soluble and insoluble solids from water.</p>
Thinking Time	<p>Cosmic Kids – Yoga Use this to chill out and relax https://www.youtube.com/user/CosmicKidsYoga</p>	<p>Keep a journal and note down all your worries and thoughts</p> <p>Now write at least 3 things that you are grateful for.</p>		<p>Cosmic Kids – Yoga Use this to chill out and relax https://www.youtube.com/user/CosmicKidsYoga</p>	<p>https://www.bbc.co.uk/news/round Watch Newsround – things around the world are changing rapidly – write your weekly diary entry about what is going on in the world today.</p>

Please record all work in your home learning exercise book. You do not need to print it out. Please send me photos of your work when you have completed it.

Bake something yummy!	Wonderful Wednesday			Learn to master a new skill!
Go for a walk and get some fresh air.	Build a cushion or duvet fort.	Make a sandwich with your favourite fillings.	Write a post-card to a friend or family member.	Spend some time chatting to a loved one at home.
Watch your favourite T.V show.	Have a pyjama day!	Read a book, story or magazine.	Play with your toys.	Make some playdough using hair conditioner and cornflour.
Paint a picture.	Watch a movie with someone at home.	Speak to a friend or family member on Zoom or on the phone.	Create a masterpiece from junk modelling!	Play outside.

Spend some time on Wednesdays completing some of these fun activities. You work so hard with your learning, it is important to take some time for you and to have fun! Please send me some photos of anything you get up to – I would love to see! 😊
