Learning for life with God as our guide

Dolphins Class Weekly Newsletter

Friday, 29th January 2021

A Message from Ms Comfort

I'm sure that many of you will have been following the news this week and have picked up on the statement regarding school closures, but for those of you who may not know, I wanted to make sure everyone was as up to date as possible.

The key announcements from this week in parliament are as follows:

- The **earliest** schools might 'begin to re-open' will be Monday 8th March, which is the start of the third school week after the half-term holiday;
- There will be a plan/review from the government set out for schools and parents on Monday 22nd February (the first day after the half-term holiday), with further updates;
- When the decision to return has been made, schools will get two weeks' notice of this.

This means that we have at least four more school weeks of home-learning under the current arrangements.

Moving forwards, we will continue with everything that we have in place and keep seeking ways to keep everyone supported and motivated. Look out for information regarding 'Wonderful Wednesday' elsewhere in the newsletter as well as Children's Mental Health Week.

Ms Helen Comfort

A Message from Mr Venning

Hello Dolphins Class,

I hope you have had a great week and have enjoyed your home learning. I have been reading lots of information about The Great Fire of London. I think you will all be experts by the time we have finished learning about it. I'm so glad so many of you have found it interesting.

I've also seen lots of Maths work this week with you working on dividing by 2, 5 and 10. Along with the multiplication you were learning last week this will really help with your Maths learning as you continue to develop through school.

As well as all the learning it's important to remember to take time out and have breaks and I have seen some great examples of fun activities to help take a break.

It is really great to see so many photos of your work and other activities you have been busy doing so keep them coming. Have a great weekend.

Warm regards, Mr Venning

Useful Weblinks

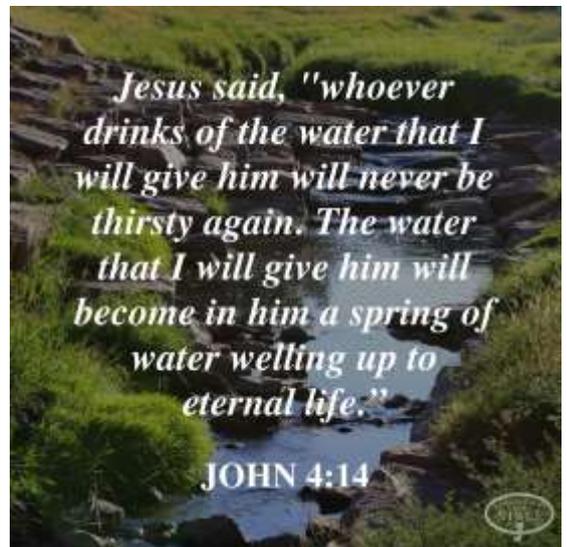

TigTag is a complete online resource for children to introduce scientific concepts in a simple, fun and engaging way. You can choose from TigTag and TigTag Jr. Both are currently offering downloadable home learning packs but you can also try out full access with a free 30 day trial. Check out the website through this link:

Thought for the Week

Jesus said, "whoever drinks of the water that I will give him will never be thirsty again. The water that I will give him will become in him a spring of water welling up to eternal life."

JOHN 4:14

Other News

This week is Children's Mental Health week. In school we will be exploring ideas and thoughts with the children using materials from

<https://nowandbeyond.org.uk/>

We recommend those of you at home to have a look also.

On Wednesday, children and staff will be encouraged to wear their clothes inside out.

WONDERFUL WEDNESDAY

We are conscious of the demands on all families regarding home learning and the fact that many children are now spending much time during the day looking at screens. Teachers have worked to produce some different activities for your child to complete on a Wednesday – we hope that these enable your child to be up and active rather than sitting looking at a screen. Have a look out for the suggestions for the next two weeks and choose those which suit your family – you do not need to do them all! Do please send in photographs of your child completing the activity.

Coronavirus Symptoms

Children or staff with any of the three symptoms of Covid:

- a new continuous cough
- a high temperature
- a loss or change to your sense of taste or smell

are to **stay at home** and isolate, as must the rest of their household. They should get a Covid test.

Children and staff must also stay at home and isolate if a member of their household has any of these symptoms until the outcome of a Covid test is known, and follow advice accordingly.

If your child has attended school for childcare and tests positive for Covid you must immediately inform the school – by telephone on 01304 206887 during the school day. If you get a positive result at the weekend, during the evening or in a school holiday please email office@stmarysprimary.net

To get a test go online to:

nhs.uk/coronavirus

Telephone 111

Collective Worship

This week in Collective Worship we have looked at unconditional love. Jesus showed this to the Samaritan woman at the well. The story can be found in John Chapter 4 v4-9. This led us to explore all about the Water of Life. Jesus will always acknowledge us, welcome us and accept us.

The Week Ahead

Week Commencing Monday 1st February 2021

For the coming week we will be finishing off our focus on The Great Fire of London. We will look back at the poem London's Burning, and that will lead into some more poetry.

In Maths we begin to learn about charts, looking at tally charts and pictograms, with some great activities to do when you go out for a walk or exercise.

There's a big change midweek as we see the start of Wonderful Wednesday. This gives you an opportunity to take a rest from the work and try out some other fun activities. This Wednesday is extra special as it is also 'Inside Out' and 'Now & Beyond' day, which focuses on wellbeing.

So lots to look forward to next week, I can't wait to find out how you get on.

Coronavirus - Keeping School Informed

Thank you to those parents who have continued to contact us to let us know if their child has symptoms of Covid and are awaiting a test and then advising the result of the test, either negative or positive.

Please could all parents and carers continue to do so, even if the child is not attending school, as we are required to report information daily to the DfE on the number of suspected and confirmed cases (just the number, no names).

Also could parents let us know each day, using the usual office@stmarysprimary.net email, if a pupil is ill and unable to do the set work just as you would if we were open as normal so we can make the teachers aware they will not receive any completed work that day from your child/ren. Thank you for your help with these important matters.

As always, please don't hesitate to make contact via email or telephone with any queries, comments or concerns you may have.

Helen Comfort - Executive Headteacher
