Learning for life with God as our guide

Puffins Class Weekly Newsletter

Friday, 15th January 2021

A Message from Ms Comfort

Home Learning,

It has been good to hear about the home learning work which the teachers have been sent this week; I thank the children and parent/carers for their efforts with this. We have worked to make contact with all families over the last two weeks to check who has internet connection at home and what devices the children have to work on. We have been able to apply for 4G routers for some families with children in Key Stage 2 who have no internet connection; I will let you know if we are successful with this. We have also received a small number of laptops from the Department for Education which we are able to loan to families – most of these have now been allocated. Do please let us know if there is anything we can do help you with enabling your child to complete the home learning set by the teachers.

Our current approach to remote education is to keep the format we are using as straightforward and easy to use as possible for parent/carers and the children, to focus on the basics, to use recorded lessons produced externally which cover the content we want and to give feedback to the children. As with all aspects of our work this approach will be kept under review and is likely to be subject to development.

Teachers have been telephoning families this week to check that all is well and will continue to make contact in this way over the coming weeks.

Ms Helen Comfort – Executive Headteacher

A Message from Miss Roberts

Dear Puffins,

It has certainly been a strange week, but I hope that you and your families are keeping well. I have missed seeing all of you this week but I hope that you have been enjoying the learning tasks that I have set for you.

I wonder, what is a new or interesting fact that you have discovered this week? My favourite activity this week has been having a go at drawing some different rocks and using different shading techniques to add detail. What was your favourite activity this week?

Next week we will be starting a new book in literacy, The BFG. I am really looking forward to hearing what you think of the book! In Art we will be continuing with drawing rocks in different ways and I can't wait to see some photos of your drawings!

I am so proud of the hard work that you have been putting into your learning so far, in what has been difficult times you have all been amazing at trying your best! Please remember that I am just an email away if you have any questions or need some extra help! (beth.roberts@stmarysprimary.net)

Best Wishes.
Miss Roberts

Thought for the Week

Give thanks in all circumstances;
for this is the will of God in
Christ Jesus for you.
-1 Thessalonians 5:18

Coronavirus - Keeping School Informed

Thank you to those parents who have continued to contact us to let us know if their child has symptoms of Covid and are awaiting a test and then advising the result of the test, either negative or positive.

Please could all parents and carers continue to do so, even if the child is not attending school, as we are required to report information daily to the DfE on the number of suspected and confirmed cases (just the number, no names).

Also could parents let us know each day, using the usual office@stmarysprimary.net email, if a pupil is ill and unable to do the set work just as you would if we were open as normal so we can make the teachers aware they will not receive any completed work that day from your child/ren. Thank you for your help with these important matters.

The Week Ahead

Week Commencing 18th January 2021

Next week, you are going to be continuing to practice your multiplication and division and then move onto exploring money in maths.

In literacy, our new class book is the BFG working and you will be working on your comprehension skills in Literacy.

Next week in geography you will be exploring the different landscapes around Britain, and in French you will be learning the days of the week.

I hope you have fun; I can't wait to hear from you all about what you are getting up too!

Collective Worship

This week we are exploring the four Gospels in the New Testament.

We heard a story from each one about Jesus and the stories he told.

The Story of Philip and Nathanael from the Gospel of John speaks of the qualities of friendship, and why we chose the friends we chose.

TODAY
is the day to
learn something
NEW

Coronavirus Symptoms

Children or staff with any of the three symptoms of Covid:

- a new continuous cough
- a high temperature
- a loss or change to your sense of taste or smell

are to **stay at home** and isolate, as must the rest of their household. They should get a Covid test.

Children and staff must also stay at home and isolate if a member of their household has any of these symptoms until the outcome of a Covid test is known, and follow advice accordingly.

If your child has attended school for childcare and tests positive for Covid you must immediately inform the school – by telephone on 01304 206887 during the school day. If you get a positive result at the weekend, during the evening or in a school holiday please email office@stmarysprimary.net

To get a test go online to:

nhs.uk/coronavirus

OR

<https://www.nhs.uk/conditions/coronavirus-covid-19/>

OR

Telephone 111

Is your child born between
1st September 2016 & 31st August 2017?

Applications for Year R September 2021 primary school places close
on
Friday 15th January 2021

To apply, please go to:

kent.gov.uk/primaryadmissions

Application forms are also available from local schools, by
contacting KCC on 03000 412121 or by emailing

If you would like any further information about St Mary's, please
contact us - 01304 206887

Please spread the word to anyone you know.

As always, please don't hesitate to make contact via email
or telephone with any queries, comments or concerns
you may have.
