Learning for life with God as our guide

Turtles Class Weekly Newsletter

Friday, 12<sup>th</sup> February 2021

## A Message from Ms Comfort

### **Brrrr!**

Very many thanks to all involved in managing the effects of Storm Darcy this week. I am sure that many of the children will have enjoyed playing in the snow – parent/carers too I imagine! Hopefully we will have a much more settled week weather-wise when we return to school after the half term break.

### **Keeping in Touch**

The videos, which each teacher presented this week, have been well met by families and I am pleased to say that these will continue during Lockdown.

### **Resting our Eyes**

The staff and children at school have enjoyed 'Wonderful Wednesday' again this week and I hope those of you at home have also. We will continue with this approach after half term.

### **Half Term Break**

We break for half term today so there will be no home learning set for next week.

### **Term 4**

Term 4 begins on **Monday 22<sup>nd</sup> February**. Children booked in for childcare will attend school while all others are to complete home learning which, as you know, is posted to the school website.

During the week beginning 1<sup>st</sup> March all classes will be undertaking work around the theme of reading and books in support of World Book Day on 4<sup>th</sup> March – look out for the variety of activities planned for this week.

At the time of writing it is possible – although not yet definite – that all (or some) children will return to school on Monday 8<sup>th</sup> March. The Prime Minister is due to make an announcement regarding this on 22<sup>nd</sup> February.

### **Track and Trace**

If your child has been attending school for childcare, and tests positive for Covid during the half term break, please notify the school on **office@stmarysprimary.net** so that we can undertake the required tracking and tracing.

Wishing you all a good weekend and half term break.

**Ms Helen Comfort - Executive Headteacher**

## A Message from Miss Riley

Hello Turtles,

I hope you have had a terrific week and enjoyed playing in the snow and making memories with your families - I loved seeing photos of you making snow angels and snowmen! I have also seen brilliant pictures of your home learning this week, you continue to work hard and I am very proud of all of you.

In school, I have been busy helping to welcome a new member of our class, and I look forward to introducing you all when school reopens. I know he is excited about meeting you.

Have a great half term everyone, stay safe and take care 😊

**Miss Sam Riley**

sam.riley@stmarysprimary.net

## Collective Worship

This week during assembly we have looked at Lent and how Jesus was tempted. We had to resist being tempted ourselves by chocolate. We have to ask God to help us to resist temptation. We need to stay calm, think carefully and say no to it.

In half term we will be celebrating Pancake Day and Ash Wednesday. Please use this link to watch Rebecca and celebrate with her.

## Useful Weblinks

These magazines are free to download:

<https://www.storytimemagazine.com/we-are-heroes/>

## Coronavirus Symptoms

Children or staff with any of the three symptoms of Covid:

- a new continuous cough
- a high temperature
- a loss or change to your sense of taste or smell

are to **stay at home** and isolate, as must the rest of their household. They should get a Covid test.

Children and staff must also stay at home and isolate if a member of their household has any of these symptoms until the outcome of a Covid test is known, and follow advice accordingly.

If your child has attended school for childcare and tests positive for Covid you must immediately inform the school – by telephone on 01304 206887 during the school day. If you get a positive result at the weekend, during the evening or in a school holiday please email [office@stmarysprimary.net](mailto:office@stmarysprimary.net)

To get a test go online to:

[nhs.uk/coronavirus](https://nhs.uk/coronavirus)

OR

<https://www.nhs.uk/conditions/coronavirus-covid-19/>

OR

Telephone 111

## Thought for the Week

‘God of Love,  
may I be compassionate as you are  
compassionate,  
and generous as you are generous.  
Through me, may others know of your  
love’

## The Week Ahead

### Week Commencing 22<sup>nd</sup> February 2021

After half term, our Literacy tasks will focus on the story ‘Rosie’s Walk’ by Pat Hutchins.

In Maths, we will explore numbers 9 and 10 and in our Topic work we will begin our animal journey!

## Coronavirus - Keeping School Informed

Thank you to those parents who have continued to contact us to let us know if their child has symptoms of Covid and are awaiting a test and then advising the result of the test, either negative or positive.

Please could all parents and carers continue to do so, even if the child is not attending school, as we are required to report information daily to the DfE on the number of suspected and confirmed cases (just the number, no names).

Also could parents let us know each day, using the usual [office@stmarysprimary.net](mailto:office@stmarysprimary.net) email, if a pupil is ill and unable to do the set work just as you would if we were open as normal so we can make the teachers aware they will not receive any completed work that day from your child/ren. Thank you for your help with these important matters.

As always, please don't hesitate to make contact via email or telephone with any queries, comments or concerns you may have.

Helen Comfort - Executive Headteacher
