Learning for life with God as our guide

Seahorse Class Weekly Newsletter

Friday, 26<sup>th</sup> February 2021

## A Message from Ms Comfort

### Good News!

I expect that you will know that the Prime Minister announced this week measures to begin easing the lockdown, starting with a full return of all children to school on Monday 8<sup>th</sup> March. I am very pleased that schools will be fully re-opening at that time and am very much looking forward to welcoming all pupils and families back.

Our Covid-safe Risk Assessment has been reviewed in line with the latest published Government guidance, and our control measures will remain virtually the same. The routines that you and your children are used to will feel familiar and have proved to be successful. I will write to you again next week to remind you of the timings for drop-off and collection, what your child can bring to school, arrangements for contact with staff etc etc.

In the meantime you may feel a search at home is needed for school uniform, school shoes and PE kit as well as water bottles and packed lunch boxes!

### World Book Day - 4<sup>th</sup> March

We are pleased to be celebrating World Book day on Thursday 4<sup>th</sup> March and during the week. Please look out for information from Mrs Trelfer and on the class planning for the week.

Have a good weekend everyone; enjoy the sunshine!

Ms Helen Comfort – Executive Headteacher

## A Message from Miss Loges

Hello Year Six,

I hope you have all had a wonderful week and enjoyed the home learning activities I planned for you. What was your favourite activity? I think lots of you will have enjoyed making the WW1 trench model! Once you have completed them, please send me in a photograph, I would love to see what you have been able to create!

I have seen some wonderful pictures of your learning this week. Thank you for sending those in. You have all been working so incredibly hard. You should be very proud of yourselves. Please continue to send in your home learning. I love to see what you get up to.

Did any of you manage to complete the challenge I set for you on the video this week? I have learnt five countries, their capitals and what continent they are located in, have you? Next week is World Book Day so I have set you a challenge linked to that! It is very fun but you will have to watch the video on Monday to find out what it is!

If you have any questions, concerns or need help with anything, please don't hesitate to contact me.

Stay safe and keep smiling!

Miss Loges

## Thought for the Week

## Free Adult Education Classes

Kent Adult Education are offering free family learning courses.

To find out more about the huge variety of courses available, and to book your place, please visit their website at:

<https://www.kentadulteducation.co.uk/course-areas/family-courses/>

## World Book Day - Thursday 4<sup>th</sup> March 2021

On Monday 8<sup>th</sup> March your child will bring home their World Book Token. This year's books include:

Please visit the World Book Day website Frequently Asked Questions page for more information about redeeming your voucher during lockdown:

<https://www.worldbookday.com/about-us/frequently-asked-questions/>

Staff next week will be planning some book type activities with the children in school and including activities for Wonderful Wednesday for Home Learning.

Due to Lockdown restrictions, we have made the decision to have a 'Grand Dressing Up Day' later in the year, once all children are all back in school and you have safe access to shops to purchase costumes or materials to make a costume.

Please keep your eyes peeled for this information. Happy Reading!

### Coronavirus Symptoms

Children or staff with any of the three symptoms of Covid:

- a new continuous cough
- a high temperature
- a loss or change to your sense of taste or smell

are to **stay at home** and isolate, as must the rest of their household. They should get a Covid test.

Children and staff must also stay at home and isolate if a member of their household has any of these symptoms until the outcome of a Covid test is known, and follow advice accordingly.

If your child has attended school for childcare and tests positive for Covid you must immediately inform the school – by telephone on 01304 206887 during the school day. If you get a positive result at the weekend, during the evening or in a school holiday please email [office@stmarysprimary.net](mailto:office@stmarysprimary.net)

To get a test go online to:

[nhs.uk/coronavirus](https://nhs.uk/coronavirus)

OR

<https://www.nhs.uk/conditions/coronavirus-covid-19/>

OR

Telephone 111

## Collective Worship at St Mary's

Over half term, you will have enjoyed pancakes on Shrove Tuesday, followed by Ash Wednesday. Traditionally people "give up" something for Lent but this year we are trying to encourage everyone to "take up" something. This could be as small as cleaning your teeth before your parent or Carer asks you.

This week we are continuing our journey through Lent by exploring the story of creation. We have focused on light, water, land and plants and creatures of the sea and sky. We have praised God for these wonderful creations and taken the time to consider what we can do to help make the earth a better place.

### The Week Ahead

#### Week Commencing Monday 1<sup>st</sup> March 2021

Next week is the last week of home learning before we will be back at school! I cannot wait to see you all again. The classroom will be ready and waiting for you!

For your home learning next week, you will be continuing your work on algebra for Maths and will be writing setting descriptions based on the film 'Rock, Paper, Scissors' for Literacy. You will also be conducting research into the assassination of Archduke Franz Ferdinand, going on a bug hunt to classify living things and you will be thinking about the Easter Story for RE.

Have a lovely weekend!

### Coronavirus - Keeping School Informed

Thank you to those parents who have continued to contact us to let us know if their child has symptoms of Covid and are awaiting a test and then advising the result of the test, either negative or positive.

Please could all parents and carers continue to do so, even if the child is not attending school, as we are required to report information daily to the DfE on the number of suspected and confirmed cases (just the number, no names).

Also could parents let us know each day, using the usual [office@stmarysprimary.net](mailto:office@stmarysprimary.net) email, if a pupil is ill and unable to do the set work just as you would if we were open as normal so we can make the teachers aware they will not receive any completed work that day from your child/ren. Thank you for your help with these important matters.

As always, please don't hesitate to make contact via email or telephone with any queries, comments or concerns you may have.

Helen Comfort - Executive Headteacher
