English	This week we will be looking at the story The Bear and the Piano and using it as a stimulus for writing. Use this video to listen to and read along with the story https://youtu.be/eE7ODNurg90				
	<p>Use this BBC Bitesize lesson to revise sentences and understand the differences between statements, questions, commands and exclamations.</p> <p>https://www.bbc.co.uk/bitesize/articles/zt9pm39</p>	<p>Use this trailer for The Bear and The Piano - https://youtu.be/J6eNg8oFCLg</p> <p>Imagine the famous bear was coming to play at the school. Create a poster to advertise the performance.</p>	<p>Look at the pages provided that show some of the changes throughout the story.</p> <p>Can you list some of these changes? How do you think the bear is feeling in each picture? What is he thinking?</p> <p>Write some sentences to describe the bear's thoughts and feelings and how these change throughout the story.</p>	<p>Look at the two pictures of the bear playing piano to the different audiences. First the other bears, then the huge audience at the theatre.</p> <p>Choose some of the audience members from each picture and write some speech and thought bubbles to show what they are thinking, feeling and saying.</p>	<p>Look at the example letters provided and read through a few of these.</p> <p>Highlight parts you find interesting and features you notice they each have in common.</p>
Mathematics	We are following the White Rose scheme of work. You can follow along using their home learning videos through the links below.
