English	This week we will be looking at the story The Bear and the Piano and using it as a stimulus for writing. Use this video to listen to and read along with the story <a href="https://youtu.be/eE7ODNurg90">https://youtu.be/eE7ODNurg90</a>				
	Use this BBC Bitesize lesson to learn the key features of a letter.  <a href="https://www.bbc.co.uk/bitesize/articles/z2gq4xs">https://www.bbc.co.uk/bitesize/articles/z2gq4xs</a>	Think about what the bear might write in a letter to his friends in the forest.  Write down all your ideas. Think about the events of the story and how the bear is feeling.	Use your work from the previous lesson to plan a letter from the bear to his friends.  Think about how to include a beginning, middle and end.	Write a letter as the bear to his friends in the forest using your plan from the previous lessons.  Make sure you use finger space, capital letters and full stops.	Watch the video or read along to the story.  Begin to create a story map of the story.  Aim to story map the first half of the story.
Mathematics	We are following the White Rose scheme of work. You can follow along using their home learning videos through the links below.
