'Learning for life with God as our guide'

10th June 2021

Dear Parents & Carers of Class 5,

Transfer to Secondary School 2022 – Kent Grammar School Test

Some of you will be familiar with the process for transfer to secondary school in Kent, for others this will be your first experience. Should you wish your child to be considered for a place at one of the grammar schools you need to register your child to take the Kent Test. The Local Authority have asked us to refer parents to the following link regarding the Kent Test:

www.kent.gov.uk/kenttest

Here you will find information regarding registration, which opens on 1st June 2021 and closes on 1st July 2021.

The children take the Kent Test at school very early in Year 6.

At the moment, the children are sitting Cognitive Abilities Tests (CATs) and the results will be with you as soon as possible. These will help to guide your thinking about the Kent Test and grammar school.

In order to help you understand the results, and to discuss the Kent Test process, we will be offering you individual telephone consultations. Look out for further information regarding this very soon.

We have been asked by the Dover grammar schools to send you the attached information, which explains the process for applying for their test.

Please don't hesitate to make contact if you have any queries.

Yours sincerely,

Ms Helen Comfort
